

March 29, 2011

Ms. Perkins,

This letter is to inform you of my intention to retire at the end of the current school year 2010-2011. It has been an honor and privilege to work in Gallatin County these past four years. I can assure you that my retirement is based on personal and family issues and not on any dissatisfaction with anything or anyone here at Gallatin.

Thank you for the opportunity to work in the Gallatin system. Whenever Gallatin is mentioned in future conversations I will have nothing but positive things to say.

*Kenneth W. Hoff*
