Dear Ms. Perkins;

We are writing to request that we have the honor of making two awards again this year, one each for a boy and girl, to deserving students moving from the Upper Elementary School, to the next building. We have e-mailed Ms. Brown, and believe she is willing to use the criteria we set down in previous years, to help make selections. These awards are in honor of Miss Rachel McCalla.

These awards, given every year, are something Rachel McCalla would be so very proud of.

You can e-mail me at: acylinder@gmail.com

Or you can contact us at either number above, as soon as the board has given approval.

Many thanks,

Beverly Dennison
