

April 11, 2011

Dear Board of Education Members:

I am writing to get Board Approval for the use of the facilities for my Family Resource Center Summer program and for the use of the facilities for Readifest.

We plan to have our summer program in the Upper Elementary School. We will use the gym and 5<sup>th</sup> grade classrooms the weeks of June 6-09, Monday through Thursday. On Friday, June 10<sup>th</sup>, we will be going to Clifty Falls for a field trip.

We then plan to have another week of summer activities in the Napoleon/Concord voting building and grounds the week of June 20-24<sup>th</sup>. The Fish and Wildlife will be coming there on June 24<sup>th</sup> and will be fishing with the students. We will be using Paint Lick Baptist Church vans to provide transportation to some of the children in the Napoleon area and it is our hopes that we will reach many children in that area by having the program there instead of at the school. Our overall theme will be nature. We also plan to take a field trip to Owen Electric in Owen County for a nature hike on June 3<sup>rd</sup>.

Readifest will be on July 28th between 5:00-7:00 PM in the High School gym. We are again inviting the Board to provide the meal as they have in the past beginning at 4:30. We appreciate your participation in this event.

Thank you for your consideration in this matter.

Enclosed are Use of Facilities forms signed by Mrs. Brown, Mr. Bieger, Mrs. Edmondson and Mr. Jones.

Sincerely,

Pat Hendren and Conte Flowers  
FRC Coordinator and Assistant
