**FRANKLIN-SIMPSON HIGH SCHOOL  
ALMA MATER**

O'er the city's southern border  
Reared against the sky  
Proudly stands our Alma Mater  
As the years roll by.

Forward ever be our motto  
Conquer and prevail  
Hail to thee our Alma Mater  
FSHS all hail

**FSHS FIGHT SONG**

Oh, when those FSH boys fall in line,  
We're going to win this game another time,  
We're going to fight, fight, fight for victory,  
And let our names go down in high school history.  
We're going to yell, yell, yell for the wildcat team  
And the results will always be the same.  
We're going to fight, fight, fight, for victory, victory,  
VICTORY.

**Franklin-Simpson High School Guidelines for Success**  
**Focus on our goals, Spirit in our school, Honor in our actions, Success for all**

**REQUIREMENTS FOR ADMISSION**

Students wishing to enroll at Franklin-Simpson High School will be admitted only when the following conditions are satisfied and the following documents are presented to the school:

Residence / Tuition

Franklin-Simpson High Schools follow the Simpson County Board of Education requirements for admission and enrollment of both resident and non-resident students.

Birth Certificate

All pupils enrolling in the Simpson County Schools must present an official birth certificate in order that the accurate date and place of birth may be on the school record. Hospital certificates or wallet-size birth certificates are not acceptable.

Immunizations and Physical

Except as otherwise provided in KRS 214.036, no child may enroll as a student without first presenting a certificate from a duly licensed medical or osteopathic physician stating that the child has been immunized against diphtheria, tetanus, poliomyelitis, rubeola and rubella. All students will need a Kentucky Physical Form, and a valid Kentucky Immunization Certificate.

Social Security Card

The pupil's Social Security card must be presented upon enrollment.

Student Fees / Textbook Rental

Each student is asked to pay a school fee each year. This fee is used to provide instructional materials, textbooks, technology, etc. that the students will use throughout the school year. **In accordance with KRS 157.110 and 702 KAR 1:005, these fees will be waived in full or in part for students who qualify for free or reduced-price lunch.**

Building Hours

Franklin-Simpson High School opens the doors at 7:30 a.m. each morning. Please do not drop students off before 7:30 a.m.

Withdrawal

When a student will be leaving FSHS either to transfer to another district or for some other reason, the office should be notified with as much advance notice as possible. This will permit the completion of schoolwork for the current period and help prevent the student's loss of credit when transferring. Before departure, the student must have a withdrawal form signed, pay any fees owed, and return all textbooks, library books, uniforms, instruments, devices, etc. owned by the school. Before a transcript will be released by FSHS, all students who withdraw from the school must have the office, library, athletic department and each teacher under whom classes were being taken sign the withdrawal form stating that all obligations to the school have been met.

Visitors

Parents and guardians are always welcome at Franklin-Simpson High School, though we request that an appointment be made to see a teacher/administrator or visit a classroom. The following guidelines apply to other visitors:

1. School policy is to accept only those visitors who have legitimate business at the school. All such visitors must report to the vestibule and receive a visitor's pass.
2. Visitor's passes will not be issued during times (e.g. testing periods) which an administrator deems it inappropriate to issue a pass. An administrator may also refuse to issue a visitor's pass to anyone if he/she feels it is in the best interest of the school to do so.
3. Students are not allowed to have non-FSHS students with them at school.

## GRADUATION REQUIREMENTS AND DIPLOMAS

Franklin-Simpson High School operates on a calendar consisting of three trimesters per school year. *At a minimum*, in order to graduate from FSHS, students are required to have 4.5 credits of English, 4.5 credits of Math and students will be required to take a Math class all four years at FSHS, 4 credits of Social Studies (Class of 2026 & 2027), 4 credits of Science, a half credit of Health, a half credit of Physical Education, a half credit of Personal Finance and one credit in Humanities and a minimum of 12.5 elective credits to meet the 32 credits needed for graduation. For the classes of 2028 and beyond, 3.5 credits of Social Studies and 13 elective credits are required. For the classes of 2029 and beyond, 1 full credit of Personal Finance is required. In order for students to make progress toward graduation requirements on the trimester schedule, they must pass all required courses that are two trimesters in length (i.e. Biology A and Biology B). For required courses that are three trimesters in length, students must pass 2 out of three trimesters with a 60% overall average for all three trimesters. PLEASE SEE YOUR GUIDANCE COUNSELOR FOR MORE SPECIFIC INFORMATION ABOUT REQUIREMENTS AND DIPLOMAS.

To help make the most of high school while planning for the future, all students across Kentucky are now required to complete an Individual Learning Plan (ILP), a process that begins in middle school. All students have access to the web-enabled ILP by logging in on the district web page's Clever link or at <https://clever.com/in/simpson/student/portal>. The ILP helps secondary students better focus their coursework on individual goals as they prepare for postsecondary studies and careers. Xello is designed to help students bring together their academic achievements, their extracurricular experiences, and career and education exploration activities. See your guidance counselor for more information.

## FSHS STOLES, MEDALS & CORDS

Stoles, medals, top 10% cords and student council cords are given out at Senior Breakfast. All other cords and pins are given out prior to senior breakfast by the affiliating organization.

Stoles will only be worn by graduates for the following:

- Senior Scholars (silver stole)
- Military Enlistment (various colors)
- Gatton Academy of Mathematics and Science (green stole)
- Craft Academy for Excellence in Science and Math (blue stole)
- SKYCTC Associate's Degree (yellow stole)

Medals will be given to students based on unweighted GPA from the final transcript.

- Summa Cum Laude - 3.90+
- Magna Cum Laude - 3.750-3.899
- Cum Laude - 3.375 to 3.7499

Cords will be provided by FSHS to students who meet the following criteria:

- Top ten percent of the senior class according to weighted GPA (Gold Cord)
- Student Council members who meet requirements set forth in the student council contract (Red Cord)
- Active student membership for 2 years; one year must be during the senior year of high school

Organizations at Franklin-Simpson High School who have a national or state affiliation are eligible to order cords for seniors at graduation provided the following:

- Students have participated in either a district, regional, state or national competition for two years in the organization; one year must be during the senior year of high school.
- Competition must be academic or performance based in nature.
- Examples of clubs/organizations that meet this criteria include, but are not limited to CTE co-curricular organizations (FFA, FBLA, HOSA, DECA, FCCLA, Skills USA, STLP), any national academic clubs (Beta-National Beta Convention, Academic Team-NAQT, Mu Alpha Theta-John O'Brian Mathematical Competition), as well as Orchestra, Band, Choir (KMEA affiliated)-district/regional/state competitions

For any special interest clubs at FSHS who do not meet the above criteria, sponsors may order students a pin to wear for graduation under the following conditions:

- Student has participated in the club for at least two years, one year of which must be the senior year
- Guidance has approved the pin
- Once approved, sponsors purchase the pin at the club's or student's expense
- Examples of special interest clubs include, but are not limited to Creative Writing, Spanish Club, History Club, Travel Club, Gaming Club, African-American History Club, Pep Club, etc.

Sponsors must order cords and pins through the FSHS bookkeeper after guidance approval. The deadline to order is the Friday before spring break.

Students who have been accepted into and completed the following state academic/performance based programs are eligible to wear a cord or patch at graduation earned or bought from the organization at the student's expense.

- Governor's Scholars Program (navy & silver)
- Governor's School for Entrepreneurs (GSE patch)
- Governor's School for the Arts (GSA patch/cord)
- MSU Commonwealth Honors Academy (patch/cord)
- DYW State Qualifier (teal & white)

Athletes are recognized by earning letters at FSHS, at their sport's Senior Night and at athletic signings (if applicable). They are not eligible for cords or stoles.

## EARLY GRADUATION

KRS 158.142 establishes the Early Graduation Program (EGP), an optional program in which a Simpson County Schools' student may receive a high school diploma, Early Graduation Certificate, and a scholarship award from the Kentucky Higher Education Assistance Authority (KHEAA) upon successful completion of all EGP requirements provided in 704 KAR 3:305, Section 5 in three (3) academic years or less.

Any SCS student who chooses to enroll in the EGP for the 2025-2025 academic year and beyond must meet all state and local graduation requirements specified under 704 KAR 3:305, Section 5, including the successful completion of a performance-based project, portfolio, or capstone, which shall be required of all EGP students, beginning July 1, 2025. Copies of the SCS Early Graduation Program Capstone Rubric Descriptors and Evaluation Procedures are available upon request.

**The FSHS Site-Based Council has determined that in order to graduate early, a student must accrue 27 credits and complete the pre-college curriculum. Early Graduates will not be eligible for Senior Scholar honors and will not be eligible to participate in Senior Activities. Early Graduates will be eligible to apply and receive local scholarships during the school year in which they graduate. A complete informational packet on Early Graduation can be found in the registration materials given at the start of the school year.**

## SENIOR ATTENDANCE

Students who have met the threshold of graduating seniors at Franklin-Simpson High School shall meet the following requirement to participate in any and all graduating exercises including walking at Graduation. **A senior student must not have more than SIX (6) unexcused absences during the school year.** After the 6th unexcused absence, the student will be denied the opportunity of participating in all graduation exercises (including the Senior Breakfast, Senior Walk and the Graduation Ceremony) with their senior class. The student will receive their diploma if they meet the graduation requirements but will forfeit the opportunity to participate in graduation exercises.

**The submission of a forged, altered, falsified, or fraudulent medical excuse, doctor's note, or attendance document is considered academic and attendance fraud. Any senior found responsible for such conduct will be immediately prohibited from participating in Prom, Senior Breakfast, Senior Walk, Graduation, and any other senior privileges or activities. The student will receive a diploma if all graduation requirements are met but will forfeit participation in all graduation exercises.**

## COURSES, REGISTRATION, AND CREDITS

### Co-Op Programs

Students have the ability to earn up to three credits during their senior year through approved Co-Op work-release programs. Each Co-Op program has its own guidelines concerning prerequisites for admission into, and standards for remaining in that particular program. These guidelines are available from the individual departments by contacting the teacher supervising that program.

These guidelines notwithstanding, a student desiring to Co-Op:

- Must have completed at least 2 credits in the pathway and be enrolled in the 3rd or 4th course as a senior.
- Must have 300 work hours to complete the program. Hours can begin upon acceptance in the program and/or July 1 of the school calendar year and ends upon graduation date.
- Students must be on track to graduate with their peers and have earned Post-Secondary Ready status prior to starting co-op.
- Students must have their work arrangement approved by the CoOp Coordinator.
- Students must have their placement approved by the CTE program instructor.
- Attendance and GPA requirements apply. See your school counselor for more information.
- The school shall provide work site support for the student by a certified teacher/coordinator on a regular basis throughout the period of time a student is participating in the co-op program
- Co-op will provide employment opportunities for all students, regardless of race, color, national origin, sex, disability, age, religion or marital status

Exceptions to the preceding guidelines will only be made when extenuating circumstances warrant, and such exceptions must be approved by a committee composed of the Principal (or designee), the student's guidance counselor, and the Career & Technical School Director and a minimum of 4 CTE teachers.

#### Correspondence and Online Courses

Details concerning correspondence courses and other online courses may be obtained from the guidance counselors. All such courses must be pre-approved by the guidance office and the guidance office must receive official notification of the final grade for each course by May 1 of the year of graduation, unless another date is pre-approved by the guidance office.

#### Summer School

Students may earn credit in Summer School by completing a core area or elective course which is needed due to failure in a previous year. In order to obtain credit through Summer School, in addition to successfully completing the required work, the student must meet all behavior and attendance requirements of the summer school program. For any course successfully completed in Summer School, both credit and grade will be given.

#### Earning Credits

Credit at Franklin-Simpson High School is awarded solely on the basis of a passing grade for each trimester course. Each trimester course will be worth ½ credit. Any course in which a student has a final grade of "F" will result in no credit being awarded. The earning of credits is important not only for graduation requirements, but also for determining a student's grade placement. The minimum requirement to be considered a member of each class can be found below:

| Soph. | Jr. | Sr. | Graduation |
|-------|-----|-----|------------|
| 7     | 14  | 23  | 32         |

#### Transfer Credit

Counselors will evaluate work completed at other schools and award credit accordingly. Students not attending accredited schools (e.g., students who are home-schooled) may be asked to complete examinations to determine if credit should be awarded.

#### Vampy/HomeSchool/8th Grade Credit

Any student who attends Vampy at WKU and earns a passing score for the class taken may choose to use the credit on their high school transcript for credit only. The grade will not reflect in the overall GPA. The same applies for home school credits or credits acquired in the year prior to entering high school.

### **GRADES AND RELATED ISSUES**

Grades of A, B, C, D, and F shall be used to report the progress of students in all classes. The school-wide grading scale is a ten-point scale (90-100 = A, 80-89 = B, 70-79 = C, 60-69 = D, and 0-59 = F), and this scale is used for all levels of all classes. All failed credits may be made up in Summer School or credit recovery after the normal school day.

#### Report Cards

Students and their parents can check grades at any time by using the Parent/Student Portal component of Infinite Campus. Trimester grades will be available on the Parent/Student Portal. Paper report cards are not sent home. Please contact FSHS for username and password information.

#### Weighted Grades    **\*\*Be aware that colleges base admissions on the unweighted GPA which can be found in the transcript\*\***

The opportunity to receive a weighted grade in certain classes is designed to encourage students to take more difficult and challenging classes. The weighted grade point average (5.0 scale) is used for class ranking and Beta Club purposes only. Transcripts sent to colleges will reflect both the weighted and unweighted grade point average as colleges generally do not accept weighted GPAs; however, besides looking at a student's unweighted GPA, colleges may also look at a student's class rank, his/her performance on college entrance exams and the level of classes he/she has taken. By taking challenging classes and putting forth effort, a student will be better prepared for college and will perform better on the ACT or SAT (which are given considerable weight in the college admissions process). All classes with Advanced Placement or Dual Credit designations are weighted. All other courses are unweighted. While all unweighted GPAs are determined using a four-point scale, the following scales are used for weighted GPAs:

## Advanced Placement/Dual Credit

|        |          |
|--------|----------|
| A..... | 5 points |
| B..... | 4 points |
| C..... | 3 points |
| D..... | 2 points |
| F..... | 0 points |

## ALL OTHERS

|        |          |
|--------|----------|
| A..... | 4 points |
| B..... | 3 points |
| C..... | 2 points |
| D..... | 1 point  |
| F..... | 0 points |

### Honors/ Advanced Placement Classes

We encourage every student to enroll in challenging classes and we want as many as possible to enroll in Pre-AP or Advanced Placement level classes. Students enrolled in these classes should exhibit some degree or combination of the following characteristics:

1. Above-Average Academic Ability -- The student grasps new skills and concepts quickly enough to move at an accelerated rate.
2. Academic Motivation -- The student consistently does homework, assignments, and projects to the best of his/her ability. The student is punctual about turning in his/her work.
3. Intellectual Curiosity -- The student has a genuine interest in learning for the sake of learning.
4. Personal Initiative -- The student exhibits an academic and intellectual commitment to take responsibility for his/her education.
5. College Readiness—The student is meeting or exceeding College Readiness Benchmarks set forth by the CPE on the ACT or meeting proficiency on other academic measures such as the STAR Math & Reading Assessments or CASE Assessments. .

Advanced Placement classes allow the possibility of earning college credit based upon performance on the standardized AP tests given at the end of the year. Students will remain in Honors classes at the discretion of the teacher. If, after the first grading period, the teacher feels that the student does not meet the Honors or AP criteria, he/she may recommend a move to a different course level. Students must maintain a minimum C average to be placed in the next Honors/AP class the following year.

### Principal's List / Honor Roll

The Principal's List for a particular grading period shall be comprised of students making all A's on their report card for that term. The Honor Roll for a similar period shall consist of students having no grade lower than a B on their report card during the term.

### No Pass No Drive Regulation

State law requires that anyone under the age of 18 applying for a drivers license must have a form completed by his/her school. **This form must be obtained from the FSHS office by the student's guardian before the student can take his/her driver's permit test.** This form verifies that the student is compliant with the requirements of the No Pass/No Drive Law. The requirements are detailed below:

- In the prior semester (half a school year), a student must have passed at least 67% of the classes he or she took, otherwise the student is considered academically deficient. An academically deficient student is not eligible for a permit or license until he or she has had the equivalent of a full semester (half a school year) meeting this requirement. For example, in January, the grades from the first trimester will determine eligibility (so the student must have passed 4 of 6 classes). However, in May, it will be a combination of grades from both second and third trimesters (so the student must have passed 8 of 12 classes).
- In the prior half year, a student must have fewer than nine *unexcused* cumulative absences (cumulative is when all the missed time is added together) to be eligible for a permit or license. A student who has nine or more UNEXCUSED cumulative absences must have the equivalent of a full semester (half a year) with fewer than nine unexcused absences to become eligible. For example, a student who had nine or more unexcused absences from January to May in one year, would not be eligible to drive until having fewer than 9 unexcused absences from August to December of the following school year.
- Suspension days count as unexcused absences.
- Students who are 16 or 17 and drop out are NOT eligible for a permit or license.

## INFORMATION FOR SENIORS

### Postsecondary Visits

Seniors will be allowed three days to visit colleges, universities, vocational schools, or armed services representatives of their choice. The student must be in good academic standing, and there must be no problem with the student's regular attendance. Permission must be obtained through the guidance office. This should be done at least one week prior to the planned visit. Students must provide verification upon their return to school that they have, indeed, paid a formal visit to the designated institution or individual. A signature of an official at the institution involved on the institution's letterhead, or on a similar form, will constitute such verification.

### Graduation

No firm graduation date can be established at the beginning of the school year. Thus, it will not be until later in the third trimester of the school year that we will be able to establish a date for graduation. All school fees (lost/damaged books, computers, calculators, cafeteria charges, athletic/school uniforms,etc) owed to the school must be paid in full prior to a Senior receiving their diploma. Seniors must obtain caps and gowns and attend a practice session for graduation in order to participate in graduation exercises.

## SENIOR SCHOLAR PROGRAM

### Students participating in Early Graduation are not eligible for Senior Scholar Honors.

At the end of their senior year, students meeting the course, GPA, and ACT requirements to be considered for Senior Scholar status will have their GPA and ACT scores calculated and used for graduation purposes. Students who accumulate at least 90 of a possible 100 points will be individually honored at the graduation ceremony as Senior Scholars. Only students who have taken and passed at least five AP courses (taking the exam in each), taught by school faculty, with at least one course in English, one in Social Studies, and one in Math or Science will be eligible for consideration. Students must also have at least a 26 on the ACT and at least a 3.375 GPA to be eligible for consideration. For any student to be eligible to be considered for Senior Scholar status she/he also needs to participate in co-curricular, extracurricular or community activities, with a leadership position or exemplary achievement in at least one of them. The Senior Scholar with the highest point total (including all ties) and the Senior Scholar with the second highest point total (including all ties) will address the graduating class during the ceremony.

**The formula to determine the Senior Scholars is:** Unweighted GPA x 16 + Highest Composite ACT score on a single test administration.  
**4.0 (max GPA) X 16 (=64) + 36 (max. ACT) =100. Anyone with at least 90 points based on this formula would be recognized as a Senior Scholar. Minimum GPA possible to meet criteria is 3.3750 (would require 36 on ACT and 5 AP courses) Minimum ACT score possible to meet criteria is 26 (would require 4.0 and 5 AP courses)**

The following table shows the requisite minimum GPA/ACT(or equivalent SAT) combinations to be awarded Senior Scholar status. 90 Points Required

|     |        |        |        |        |        |        |        |        |        |        |        |
|-----|--------|--------|--------|--------|--------|--------|--------|--------|--------|--------|--------|
| GPA | 3.3750 | 3.4375 | 3.5000 | 3.5625 | 3.6250 | 3.6875 | 3.7500 | 3.8125 | 3.8750 | 3.9375 | 4.0000 |
| ACT | 36     | 35     | 34     | 33     | 32     | 31     | 30     | 29     | 28     | 27     | 26     |

The following honors will be recognized at graduation -- all GPAs used below are un-weighted:

- ❑ Senior Scholars – (GPA x 16 + ACT composite = Requisite score or better)
- ❑ Summa Cum Laude - (3.9 and above GPAs)
- ❑ Magna Cum Laude - (3.7500 up to 3.8999 GPAs)
- ❑ Cum Laude - (3.3750 to 3.7499 GPAs)

### SCHOOL SOCIAL WORKER / STUDENT ASSISTANCE COORDINATOR

The Student Assistance Coordinator (SAC) is available for students and families, providing extra support and intervention when needed while working to keep families connected to what is happening at school. The SAC works closely with the guidance department and administration in a wide range of areas from attendance to academic or behavioral interventions. Students are welcome to drop in on the SAC with questions and concerns. Both during and after hours appointments are readily available to parents or guardians.

**Franklin-Simpson High School Youth Service Center**  
**400 S. College St.**  
**P.O. Box 389**  
**Franklin, KY 42134**  
**270-586-8802**

The Franklin-Simpson High School Youth Service Center functions in coordination with the Franklin-Simpson Middle School Youth Service Center and the Simpson County Family Resource Center. The goal of the center is similar to that of the Middle School: to assist youth and their families in meeting basic needs while helping to remove barriers to learning. This is done by providing services at the center, working closely with school staff and linking families to agencies in the community. The Youth Service Center serves as a resource to all students at FSHS regardless of income.

#### Services include:

- ❖ Referrals to health and social services
- ❖ Employment counseling, training, and placement
- ❖ Summer and part-time job development
- ❖ Drug and alcohol abuse counseling
- ❖ Family crisis and mental health counseling and referrals
- ❖ Education and support for teens and teen parents
- ❖ Clothing closet
- ❖ School supplies
- ❖ Hygiene products

The Youth Service Center also has an Advisory Council made up of parents, students, staff and representatives from community agencies that oversee the Youth Service Center's activities. Council meetings are open to the public, and the council meets bi-monthly. The Youth Service Center is located in the high school, across from the main office. Hours of operation are Monday-Friday from 7:30-3:30 PM. The center is open year-round. Arrangements to meet after 3:30 PM can be made upon request.

## TITLE ONE

Franklin-Simpson High School is currently designated a Federal Title One School. The Title One designation is a federal program designed to target schools that have a set level of free and reduced lunch students. One component of any Title One school is a partnership between the school, the parents, and the students. The responsibilities of each stakeholder are outlined below in the School-Parent Compact:

### SCHOOL-PARENT COMPACT

#### COMMITMENTS

We commit to:

1. Sharing clear information about each student's progress with parents.
2. Offering practical suggestions to parents on how they can support student learning at home.
3. Making representative parents and community members full partners in our decision-making.
4. Facilitating the involvement of our parents with limited English proficiency, parents with disabilities, and parents of migratory children.
5. Seeking and supporting adult volunteers to work with and inspire our students, as well as making every effort when legally appropriate to accommodate the involvement of adults other than parents who are already involved in a student's life.

We will honor these commitments through a school-parent compact. During an annual meeting with parents we will review the compact with parents, ask for input and then, if necessary, revise the compact.

#### REQUIRED SCHOOL-PARENT COMPACT PROVISIONS

Our students, students' parents, families, extended families, as well as our local community are all considered partners who share responsibilities for high student academic achievement. Following are the responsibilities for the school, the parents, and the students:

#### School Responsibilities

The Franklin-Simpson High School will:

1. **Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards.**
2. **Provide parents with frequent reports on their children's progress.** At the end of each trimester, parents and students will be notified that grades have been updated in Infinite Campus and parents are encouraged to access Infinite Campus regularly.
3. **Provide parents reasonable access to staff.** Specifically, staff will be available for consultation with parents as follows: E-mail, phone calls, and appointments for face to face conferences.
4. **Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:**
  - Tutoring.
  - Assisting with classroom activities that require more than one adult.
  - Preparing materials, mailings, refreshments, and other items needed for family and community involvement.
  - Serving on one of our decision-making committees.
  - Volunteering along with other concerned members of our community in other areas as needed.
5. **Provide information on the content students will learn each year through the methods listed in our Curriculum Policy.**
6. **Assign homework in accordance with our Homework Policy.**
7. **Send home newsletters at least four times a year that include information on ways families can help students learn. The first newsletter will contain a copy of this policy.**
8. **Ensure that all adult volunteers working in our school and our students are subject to board policy and state law regarding criminal record checks, as applicable.**
9. **The Family Resource/Youth Service will share responsibility for student achievement by:**
  - **Surveying families at least once a year to learn what services and activities would most help them support their children as learners.**
  - **Offering a well-planned, well-publicized menu of activities and programs to meet those needs.**

#### Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- Monitoring attendance.
- Making sure that homework is completed.
- Assist the child with time management (extracurricular, television watching, studying, etc.) and participating, as appropriate, in decisions relating to my children's education.
- Promoting positive use of my child's extracurricular time.

- Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district received either by my child or by mail and responding, as appropriate.
- Serving to the extent possible, volunteer, serve on the school council or a committee, attend School-Based Decision Making Council meetings, and comment on draft policies and plans as they are made available.
- Become familiar with and support the school and individual classrooms' homework policies and show interest with questions about and comments on the schoolwork their children bring home.

### **Student Responsibilities**

We, as students, will share the responsibility to improve academic achievement and attain the highest possible standards. With support from parents, students are asked to:

- Complete and turn in all assigned homework every day and ask for help when needed.
- Give to my parents or the adult who is responsible for my welfare all notices and information received by me from school.
- Attend school as regularly as possible.
- Follow school and classroom behavior standards.
- Bring necessary learning materials to school and to class.

### **GUIDANCE INFORMATION**

The guidance department of Franklin-Simpson High School exists to help students be successful and reach their goals. It is important that students become aware of the services available so that they can take advantage of them. Counselors are available to assist and advise students about personal problems, academic matters, career options, course selections, college choices, and scholarship applications. The guidance department also assists in student orientation information services and student appraisal. The counselors may refer a student to outside agencies when necessary. The guidance office is open by appointment before and after regular school hours.

### **CAFETERIA**

The cafeteria provides meals for students free of charge. The Simpson County Board of Education has a district policy of providing all students with free Breakfast and Lunch. Students should take their place at the end of one of the lines when coming into the cafeteria and wait to be served. Upon finishing their meal, each student should take his/her tray with dishes to the place provided for this purpose and remain in the cafeteria or lobby, or on the patio immediately outside the cafeteria, until the bell rings. No food or drinks are to be removed from the cafeteria with the exception of "Grab and Go" items. Students and parents may access the student cafeteria account online. Please contact the school for further information. **Due to federal nutrition guidelines and federal laws governing school lunches, outside commercial food and drinks are not allowed in the cafeteria during lunch.**

Students are permitted to have water during instructional time, provided it is in a plastic, sealable bottle. Please note that other types of containers, including metal ones such as Stanley, Hydro Flask, Owala and Yeti, are not allowed at school.

### **OFF-LIMIT AREAS**

Certain areas of the school are off-limits to students during all or parts of the day. Students should observe the following guidelines with regard to these areas:

1. Students driving or riding to school are to immediately exit their cars and leave the parking lot. Without approval from an administrator or the office, the parking lots are off-limit areas from immediately after arrival at school until the student is dismissed.
2. All students, during their respective lunch shifts, are to remain in the designated eating area in the cafeteria and/or the commons area. Students are to move immediately to and from these areas when lunch begins and ends. Students are not to be in hallways or any other parts of the building or campus during their lunchtime.
3. Students are allowed to access the first floor restrooms only before and after school, and during lunch, but loitering is not permitted in the restrooms at any time. All restrooms are open during class changes.

### **FSHS STUDENT PARKING**

#### **2026-2027 Student Parking Permit Form**

On campus parking is a privilege at FSHS. The student parking lots used will be the central office lot for co-op students, vocational lot and facility lot. To obtain a parking pass, each student driver must submit a form with the required information. All spots are numbered and students are required to display their permit at all times while parking on campus.

Cost of permit: \$20.00. This fee will be used to sponsor school events throughout the school year. The permit cost will decrease to \$10.00 after Christmas Break. The parking pass should be clearly visible on the rearview mirror.

In accordance with state statute (KRS 59.051), students must meet certain academic and attendance standards to maintain the privilege of driving to school.

The following are the rules and regulations for student drivers:

- Parking permit must be displayed in vehicle.
- Students may park only in designated spot assigned to them.

- Students are not allowed to return to their vehicle during the school day without administrator approval.
- All vehicles are subject to search at any time.
- Students driving in a disorderly manner, parking in the wrong spot or area, parking without a permit, using another student's permit will be subject to disciplinary action, loss of parking privilege without a refund, vehicle towed at owner's expense. More severe disciplinary action could occur if needed.
- Excessive tardies to school will result in loss of parking privileges. Refer to the "Tardies to School" section for details.
- Any student transporting another student off campus will forfeit driving privileges.
- **FSHS or Simpson County Schools is not responsible for damages to or theft from vehicles.** Students are cautioned NOT to leave valuables in their vehicles. Parked vehicles should be left with windows closed and doors locked.
- Students who park on campus are required by Simpson County Board of Education policy to participate in the district's random drug testing program.
- A copy of the FSHS Parking form is located in the back of the Student Handbook.
- **Seniors are required to sign the Painted Parking Spot Contract and submit a copy of their design for administrative approval before painting their assigned parking spot.**

### Student Parking Violations

Parking violation citations can result in a fine depending on the severity and/or frequency, additional penalties and/or discipline consequences and will be issued for the following:

- Parking without a valid & visible permit. Permits must be clearly displayed.
- Parking of vehicles in restricted areas (fire lanes, bus lanes, handicap only, staff or visitor parking areas, grass etc.).
- Parking in another spot that is not designated to the student.
- Moving violation (speed, unsafe driving, running a stop sign, misuse of vehicle). The speed limit in the parking lots is 10 MPH.
- Falsification, misrepresentation, possession of or reselling another student's parking permit.
- Students may not borrow, loan or resell parking permits. Parking privileges may be suspended or revoked for these acts & additional fees imposed.
- A fine will be issued for parking in a handicap space without a valid & visible state handicap parking permit, issued to the driver of the car. Your car is subject to a ticket and/or towed at the owner's expense.
- If you wish to dispute a parking ticket you receive, you must do so with the parking administrator, within five (5) days. No changes will be made for tickets older than five school days. Disputing a parking ticket does not necessarily result in a reduction or elimination of the fine.
- For a student with more than three violations, a referral will be written, & parents will be contacted. A towing warning letter may be issued.
- Parking violations will be addressed by administration, and possible responses include a warning, fine, towing of vehicle at owner expense.

**Parking permit holders must pay any parking fines by the end of each trimester** or the parking permit may be revoked until paid. No reimbursement will be given for revoked parking permits.

Repeated violators may be towed at the owner's expense.

### PROTECTING PERSONAL AND SCHOOL PROPERTY

Students should use good common sense in protecting both their personal property and school property which is issued to them. Lockers are available to students upon request, however Franklin-Simpson High School is not responsible for locating lost or stolen items such as keys, phones, headphones, and/or airpods. For this reason, it is never wise to bring expensive items (including phones and airpods) or large sums of money to school. To protect your property:

1. Don't share your locker or its combination with other individuals. A "friend" can not only take things from your locker but also put things into your locker for which you will be ultimately responsible.
2. Don't store purses, jewelry, or other expensive equipment in lockers.
3. Keeping lockers neat and cleaned out will prevent you from having to force them shut, and help to keep your locker properly closed. Report any locker problems to the office immediately.
4. Bring a padlock or combination lock to school for use on lockers in P.E. dressing rooms and vocational shops.
5. **Students are expected to respect school property at all times and help maintain a clean and safe learning environment.**
  - **Vandalism of any kind is strictly prohibited. This includes writing on or damaging restroom stalls, walls, desks, lockers, or any other school surfaces, as well as any intentional misuse or destruction of school property.**
  - **Students are expected to use restroom facilities appropriately. Any misuse, including unsanitary behavior or intentional damage, will result in disciplinary action.**
  - **The cafeteria and dining areas must be kept clean and orderly. Students are responsible for properly disposing of trash, cleaning up after themselves, and following staff directions.**
  - **Any act of disrespect toward school facilities, including but not limited to vandalism, destruction of property, or repeated failure to maintain cleanliness, will be addressed as a disciplinary matter.**
  - **Consequences for violations may include restitution for damages, loss of privileges, in-school suspension (ISS), out-of-school suspension (OSS), or other disciplinary actions as determined by administration based on the severity of the incident.**

## MEDICATIONS / HEALTH SERVICES / STUDENT INSURANCE

Students may not take medications (prescription or non-prescription) at school without written approval on file with school personnel.

- Non-prescription medications must be turned in to the office (school nurse) upon arrival at school with specific written instructions from the parent/guardian. The parent must send only the required dosage to be taken at school **in the original container**, not to exceed five days' quantity.. A new note is required if medication is to be used beyond five days.
- Prescription medications MUST be registered with school personnel using the required "permission form for prescribed medication" available in the main office. This permission form must be signed by both the physician or authorized prescriber and by the parent or guardian. The medication must be in its original container, in the student's name, and can only be given as prescribed. Prescription medication may be carried by the student only if authorized by the physician/authorized prescriber, parent/guardian, and the Principal/designee.
- Under no circumstances should a student share either prescription or non-prescription medications with another student. Students who do so may be subject to referral to the FSHS School Based Drug Review Board for a hearing.
- Students should not possess prescription or non-prescription medications on school property without approval from the administration. Students who do so may be subject to referral to the FSHS School Based Drug Review Board for a hearing.

## SCHOOL NURSE

Franklin-Simpson High school has a School Nurse on staff to administer care to students as needed. Students who are injured or who become ill should report to the school nurse. School personnel can administer only minor first aid, and may only administer medication brought by the student with appropriate documentation. The school nurse will make the determination if a student needs to be sent home. Every student is covered by school insurance during the school day. Additional 24-hour coverage may be purchased by the parent.

Students who have serious allergies or significant medical conditions are asked to inform the school nurse and/or main office so staff can be made aware as needed of potential medical problems that may arise.

## CLASS OFFICERS

Franklin-Simpson High School puts great emphasis on student leadership. Students running for class office will be evaluated by a screening committee. Taken into consideration by this committee will be grades, conduct, attitude, leadership potential, and character. Students can pick up an application from a Student Council sponsor. The application will include two teacher recommendation sheets to be completed by FSHS teachers. The application must be completely filled out, signed by a parent or guardian, and returned by the designated date. Elections are held in May. Those qualifying to run will give a 2-3 minute speech to the student body and must receive a majority (greater than 50%) vote to be elected. In the case that one does not receive this percentage, the top two vote-getters will be in a runoff. If a student cannot fulfill his/her office for any reason, the runner-up for the same office will assume the position. A student may hold one club and one class office simultaneously, but no Student Council officer may hold a class office.

### Duties of Class Officers

- President -- Works with class sponsors on float building and homecoming activities, organizes class meetings, and encourages participation among class members. Organizes and communicates senior activities to all seniors. Class presidents are automatic members of Student Council and are expected to fulfill duties there. Junior class president has primary responsibility for Prom. Senior President arranges all class reunions.
- Vice-President -- Assists the President and acts as committee chairperson when appointed to do so, attends all class meetings, and assists with float site duty, Prom (Junior), and reunions (Senior).
- Secretary -- Writes thank-you notes, keeps minutes on class meetings, acts as committee chairperson when appointed to do so, and assists with float site duty and Prom (Junior). Senior Secretary issues invitations to class reunions.
- Treasurer -- Keeps track of money spent on floats, orders flowers for homecoming candidates or other needs, works with the President to order float pumps, and is responsible for any other transactions made. This officer will work with the bookkeeper to keep track of the class budget (Prom budget for Juniors) and will work with the President to coordinate needs. Senior Treasurer will assist with reunions.
- Reporter -- Assists other officers by attending all class meetings and making sure publicity is given for class activities (including Prom for Juniors). Also acts as a committee chairperson when appointed to do so. Senior Reporter handles publicity for class reunions.

## STUDENT COUNCIL / RENAISSANCE

Student Council is in charge of Homecoming, all dances except Prom, and other projects to be determined by the individual Council each year. Students that are enthusiastic and interested in making FSHS a better place are well-suited for Student Council membership and/or leadership.

### Membership

Students interested in Student Council may pick up an application from a Student Council sponsor. These will include a portion to be filled out by the student and two teacher recommendations. The application must also be signed by a parent or guardian. Once the new Student Council officers are elected in May, the new officers and the old officers, along with Student Council advisors, will select the next year's council

members. Students from each grade will be selected, and the President of each class will also be a member. Student Council members must attend every meeting (7:30 each Tuesday morning) unless they have excused absences from school.

#### Officer Elections

Student Council officer elections will be held in conjunction with class officer elections. Students running for these offices must have been members in good standing of the Student Council for one full school year. They will fill out a form similar to that for class officers. Student Council offices are President, Vice-President, President-Elect, Secretary and Treasurer. Freshmen may run for any office except President-Elect. All officers except the President may hold one club office. No Student Council officer may hold a class office. If a student who is a club officer wishes to run for Student Council office, he/she must have this approved by the club sponsor before the Student Council officer elections. To win, a candidate must receive a majority (greater than 50%) vote. In the case that one does not receive this percentage, the top two vote-getters will be in a runoff.

### **POSTERS / ANNOUNCEMENTS / SELLING**

All posters or announcements to be displayed at Franklin-Simpson High School should first be approved by an administrator. If approved, such items may be posted only in designated areas and should then be removed at the appropriate time by the individual(s) requesting their posting. Students are not allowed to solicit or sell items at school, or to sell under the sponsorship of the school, without the permission of an administrator. All fundraisers must be approved by the Simpson County Board of Education.

### **SCHOOL DANCES/PROM/SOCIAL EVENTS**

#### **FSHS Students must be in Good Standing in order to participate in Dances, Social Events and Prom**

A student will be *ineligible* for school dances/prom/social events if any of the following qualifiers are met:

- 2 Disciplinary events that result in ISI in the month prior to the event.
- 1 Disciplinary event that results in ASP in the month prior to the event.
- Any discipline event resulting in Out of School Suspension for 12 calendar weeks prior to the event.
- 2 Disciplinary events in the current school year that result in an Out of School Suspension.
- More than 6 unexcused absences for the school year
- Any drug or alcohol offense during the school year
- Student should be passing 60% of all classes for which he/she receives a grade

Unless otherwise approved by school administration, school events are sponsored by the FSHS Student Council as a fundraising source. The number of dances/events is determined at the beginning of each school year and is subject to change based on student attendance and behavior. The following rules have been developed in order to insure that this tradition may continue at Franklin-Simpson High School:

- School events are for Franklin-Simpson High School students and their dates. For events that allow for out-of-district guests, an "out of district guest permission form" must be completed and approved in advance of the event. The Guest Form must be completed and submitted to the office before purchasing tickets.
- No student under 9th grade will be allowed to attend, nor will any student who is 21 or over. Also, students who have dropped out of the Simpson County Schools may not attend.
- Students under suspension may not attend during the term of their suspensions, and students who have been expelled are banned from all events.
- A fee is charged for all events. The money is used to support the activities of the Student Council and to pay for the cost of the events.
- Parents providing transportation should see that students do not arrive too early and are picked up as soon as the event is over.
- Administrators and teachers, as well as law enforcement officers, will be on duty at all events in addition to Student Council sponsors. Any problems should be reported to one of these adults.
- Any student suspected of being under the influence of alcohol or other illegal substances will be brought to the attention of the administrators or police officers on duty. If a student is found to be under the influence of anything illegal, the parent will be notified and the student will be subject to appropriate disciplinary measures. Students in this category will not be allowed to attend future events. Students in this category will also be referred to the School Based Drug Review Board.
- Students should display the same behavior at an event that they do during regular school days. Student dress should be appropriate and in good taste. Failure to comply with these standards will prevent admittance to or cause removal from the event.
- Once a student leaves an event, he/she will not be readmitted.
- Students or any others may not loiter outside of the school during an event. Students should either come in for the event or leave.
- A student involved in a fight during an event will be subject to the discipline code and will not be allowed back at future events.
- Students are expected to treat each other with respect and dignity. Extreme displays of affection are inappropriate. Dancing in lewd and distasteful ways will not be tolerated. Students choosing to dance inappropriately will be given one warning by a chaperone and then asked to leave.
- West Campus Virtual and Long Term Students may be eligible to attend if they are invited as a guest of an FSHS Student with approval from the Principal.

#### **Dance Conduct Guidelines**

These rules apply to all dances (including Prom) on or off the dance floor.

Sexually suggestive dancing may result in a student being removed from the event. Parents will be notified.

Sexually suggestive dancing includes but is not limited to:

- No front to back grinding or touching.
- No straddling legs.
- No bending over.
- No touching of breasts, buttocks, or genitals.
- Both feet must remain on the floor.
- Hands on waists or shoulders only.

No “making out” (overt and/or prolonged public displays of affection)

Student dress for dances is the same as defined in the student handbook. An exception to the dress code allows for strapless gowns to be worn at dances.

## **PROM**

Juniors and Seniors at FSHS may attend Prom as long as they are in good standing as defined in the previous section (School Dances/Prom/Social Events). FSHS juniors and seniors may invite guests as long as they meet the above requirements. Anyone not a student at FSHS is considered a guest and must be approved.

## **HOMECOMING QUEENS**

For each Homecoming, each class will have two candidates for queen. Homecoming Queen nominations and finalists will be selected by class members. The Homecoming Queen will then be chosen by the respective team (football or boys’ basketball). Any girl in the class is eligible to be a candidate once for Football Homecoming and once for Basketball Homecoming.

Preferably, two weeks prior to Homecoming, students will be provided a Google Form link via email and/or QR code to submit nominations during FLEX time. A student in FLEX may nominate any girl he or she would like, provided she has not already served as a Homecoming candidate for the current Homecoming cycle. Nominations will be reviewed and counted by the Student Council and the Student Council Advisor. They will identify the five girls in each class/grade level who received the most nominations. However, in the event of ties, the number of candidates on the final ballot may vary and could range from three to eight or more, depending on the results. Once the names for the ballot have been determined, a Google Form will be created and shared with students for voting during FLEX time. Students will have the opportunity to select the candidate they would like to represent their class/grade level. After voting closes, the results will be reviewed and tallied. The girls receiving the most votes from each class/grade level will be placed on the final ballot for Homecoming Queen.

NOTE -- It may be necessary to change the nomination or voting processes in some ways if there are snow days that interfere, or if there is an early Homecoming; however, the process by which the votes are counted will always remain the same.

The Homecoming Queen will be voted on by members of either the varsity football team or the varsity boys’ basketball team on the afternoon/night of the Homecoming game. It is preferable that this be done in such a way that the players are unaware of other votes. The coach will then inform the Student Council Advisor of the individual who will be crowned as Homecoming Queen.

Homecoming candidates and escorts must be in good standing with regards to academics, behavior, and attendance. To be eligible, candidates and escorts must be passing 60% of all classes for which he/she receives a grade and must not have:

- 2 Disciplinary events that result in ISI OR 1 Disciplinary event that results in ASP during the current Trimester.
- Any discipline event resulting in Out of School Suspension.
- More than 6 unexcused absences
- Any drug or alcohol offense during the school year.

## **ATHLETICS**

Franklin-Simpson High School is a member of the Kentucky High School Athletic Association (KHSAA) and participates in a total of fifteen interscholastic sports -- thirteen for boys and thirteen for girls -- as follows:

- \* FALL -- Cross County (Boys/Girls), Football (Boys), Golf (Boys/Girls), Soccer (Boys/Girls), Volleyball (Girls) Cheerleading (Boys/Girls)
- \* WINTER -- Basketball (Boys/Girls), Swimming (Boys/Girls)
- \* SPRING -- Baseball (Boys), Softball (Girls), Tennis (Boys/Girls), Track (Boys/Girls), Bass Fishing (Boys/Girls).

### Athletic Participation Policy

For a student to represent FSHS on any athletic team that the school's Site-Based Decision Making Council (SBDM) and Board of Education sanction, one must:

1. Abide by all minimum academic requirements of the KHSAA and any other academic requirements adopted by the SBDM
2. Be a full time student at FSHS or FSMS, or a feeder school under the same local Board of Education
3. Be at proper age

4. Have a signed physician's certificate
5. Have a signed parent consent form
6. Be on track to graduate and make continual progress during the school year
7. Follow all rules of the KHSAA, as well as rules set by the team coach (as long as they do not violate KHSAA rules or rules set by Board of Education)
8. Be in good standing at school (Any conduct that would bring disgrace to the athletic team or school may result in dismissal from the team). Any student under suspension or serving time in ASP as a suspension alternative shall not be allowed to participate in any scheduled games or practices.
9. Agree that, once participation in a team sport has begun, quitting the team will prevent that athlete from participating in another sport until the sport being left has ended its season. Participation is defined as dressing and being eligible to compete in that particular sport.
10. Any athlete currently serving out of school suspension or participating in an alternative to suspension program (ASP) is ineligible to participate in any practices, scrimmages, or games.
11. Any athlete referred to West Campus is ineligible to participate in any practices, scrimmages, or games for the duration of the placement at West Campus.

#### Academic Requirements

In order to be eligible to participate in a KHSAA sanctioned sport, a student athlete must be passing 2/3 of his/her classes which is equivalent to 4 out of 6 classes. Cheerleaders, student managers and any other students having official connections with the athletic program shall come under this rule and must be making normal progress toward graduation as defined by the KHSAA.

#### Awards / Letters

- \* A participant in any sport must finish the season in order to receive an award.
- \* Coaches may award a letter anytime there is a special situation for which the coach feels it is justified.
- \* Managers shall be awarded a letter, depending on the sport, at the beginning of the Senior year. He/she must have been a manager for at least two years in order to receive an award.

#### Insurance

The Simpson County Board of Education maintains liability insurance coverage for all participants of athletic teams while traveling to or from, practicing, or participating in athletic events. The KHSAA also carries catastrophic insurance with a \$25,000 deductible clause.

#### Booster Organizations

Franklin Simpson High School has very active "booster groups" for not only athletic programs but also academic and music programs. These groups provide support and encouragement to the school in general and to the individual programs and their participants in particular. They exemplify the success and achievement that can take place when parents and community members show interest in and support of the total educational experience.

### **OTHER EXTRACURRICULAR AND CO-CURRICULAR ACTIVITIES**

In addition to our athletic programs, students may also be a part of many other extracurricular and co-curricular activities. Among them:

- Academics -- Future Problem Solving and Quick Recall
- Clubs -- Beta, Association of Marketing Students (DECA), Diversity Club, Future Business Leaders of America (FBLA), Fellowship of Christian Athletes (FCA), Family, Career & Community Leaders of America (FCCLA), FFA, Health Occupations Students of America (HOSA), Mu Alpha Theta (Math Club), Skills USA, STLP, Travel Club and the Foreign Language Club.
- Performing Arts -- Marching Band, Pep Band, Concert Band, Orchestra, Choir, Theatrical Productions
- Publications -- *Cat Flash* newspaper and *The Wildcat* yearbook

Students currently under Out of School Suspension or serving in any Alternative to Suspension Program (ASP), or placed in West Campus may not participate in any extracurricular or co-curricular activities, including meetings, practices, competitions, and Homecoming activities.

### **FIELD TRIPS**

Students at Franklin-Simpson High School often have educational opportunities outside of the usual classroom setting. These opportunities, which include field trips, conventions, contests, etc., often require the student to be away from classes. While occasions such as these do not constitute an absence, and while the benefits of these additional activities can be great, students must not neglect their regular classroom work. Whenever a student knows in advance that he/she will miss one or more classes due to such an event, it is the student's responsibility to notify the teacher as far in advance as possible so that arrangements for make-up work can be made. Preferably, all work which will be missed due to these absences will be completed before the student is away. When the teacher and student agree that this will be impractical, alternate arrangements may be made. Failure to complete assignments in this manner may result in the student not receiving credit for those assignments. A student must return to class after such an absence as prepared as if he/she had been present in class. Field trips must be instructional in nature and approved at least two weeks in advance. As soon as trips are approved, teachers of all students involved should be notified so they can plan appropriately.

All FSHS and Simpson County Board of Education disciplinary policies and regulations shall be in effect on all approved school-sponsored trips. Any student violating school and/or board policies while on a school-sponsored trip shall be subject to appropriate disciplinary consequences.

The opportunity for a student of FSHS to participate in a field trip is a privilege not a right. Therefore a student must be in good standing to be eligible to attend. Any of the following conditions could disqualify students from attending any school-sponsored trip:

- 2 Disciplinary events that result in ISI in the month prior to the field trip.
- 1 Disciplinary event that results in ASP in the month prior to the field trip.
- Any discipline event resulting in Out of School Suspension for 12 calendar weeks prior to the event.
- 2 Disciplinary events in the current school year that result in an Out of School Suspension.
- More than 6 unexcused absences for the school year
- Any drug or alcohol offense during the school year
- Student should be passing 60% of all classes for which he/she receives a grade

## **STUDENT DIRECTORY INFORMATION**

The Principal or Superintendent is authorized to release Board-approved directory information. Approved directory information shall be student names, addresses, telephone numbers, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and most recent educational institution attended. Any eligible student, parent, or guardian who does not wish to have directory information released shall notify the Superintendent in writing on or before September 30 of each school year.

### **Definitions**

- Absent event: when a student misses more than 35% of a school day.
- Tardy: when a student misses less than 35% in a school day (not to be confused with tardies between classes).
- Cumulative absence: the sum of the time missed from all absent events.

### **Excused Or Unexcused?**

- For the first six cumulative absences, parent notes will be accepted to excuse the absence based upon the criteria listed below. *(This is not the same thing as saying every student has six parent notes they can use!)*
- If no note is submitted, an absent event is unexcused.
- After six cumulative absences (excused OR unexcused), a doctor's note (or other authorized notes) is required to excuse any additional absent events (unless approved by the Principal or School Based Attendance Committee).
- Suspensions are always unexcused absence events.

## **ATTENDANCE POLICIES**

### **TRUANCY DIVERSION PROGRAM**

Kentucky state law states that any child who has been absent from school without a valid excuse for more than 3 days, or tardy for more than 3 days, is a simple truant. Two or more counts of being a simple truant constitute habitual truancy.

Any time a student misses more than 35% of school in a school day this is considered an absence event. Any time a student misses less than 35% in any school day it is considered a tardy. Absences accumulate and become part of a student's cumulative absences. When a student accumulates three cumulative unexcused absences during the school year a letter will be mailed home to notify parents that their child has accumulated three unexcused cumulative absences. Also, the student will meet with a member of the Truancy Diversion Team to discuss the attendance problems and what steps can be taken to avoid these problems in the future. At this point students will also fill out a survey about their daily routines, their academic performance, and their overall attitude toward school to help school personnel gather more information on what services or support the student needs in order to improve attendance.

Periodically throughout the year students who have accumulated three or more unexcused absences and their parents will be invited to attend pre-complaint meetings to discuss issues surrounding attendance, and offer support and resources that students and parents may need to avoid future attendance problems. Representatives from the school, the central office, and the Administrative Office of the Courts will be present to discuss truancy laws, procedures, and next steps. The purpose of this meeting is to avoid a truancy petition being filed with the Court Designated Worker.

When a student reaches their 6<sup>th</sup> unexcused cumulative absence a final notice will be delivered or mailed to the parents of the student through certified mail return receipt requested. This letter will explain that the student has now reached a point that by state law they are considered a habitual truant. Parents and students will then have 24 hours from the time they receive the letter to correct the problem. If the student receives any more unexcused absences a truancy petition will be filed with the office of the Court Designated Worker (CDW).

Students who have not been adjudicated on any other charges within the last 12 months will be eligible to enter into a truancy diversion agreement with the CDW. Students who have been adjudicated within the last twelve months will be referred to court. Students eligible will enter into an agreement with the CDW that will include but not limited to the following things: 1. No more unexcused absences 2. The student and parent will attend 10 sessions on days designated by the Truancy Diversion team at the school to discuss issues surrounding the student's performance at school. If a student fails to meet any part of the truancy diversion agreement the student will be referred to court.

We know that good school attendance is an important factor in academic success. The purpose of this program is to provide a multilayered, timely, and systematic approach for communicating with, intervening with, and providing support for families that are having attendance issues so the problem can be resolved before the student falls behind academically.

For FSHS the information below will convert the percentages of a school day into time:

**ARRIVALS** (Arrives late and remains at school for the remainder of the day)

- A student who **arrives at or before 10:29** is counted **present all day**. (Record as Tardy)
- A student who **arrives at or after 10:30** and **before 1:55** is counted **absent ½ day**.
- A student who **arrives at or after 1:55** is counted **absent all day**.

**DEPARTURES** (Arrives on time and leaves school early)

- A student who **leaves at or after 12:31** is counted **present all day**. (Record as a Tardy)
- A student who **leaves at or after 9:06** and **before 12:31** is counted **absent ½ day**.
- A student who **leaves at or before 9:05** is counted **absent all day**.

**Truancy Defined**

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) days (cumulative) or more, or tardy without valid excuse on three (3) days or more, is a truant.

Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21st) birthday, who has been absent from school without valid excuse for three (3) or more days (cumulative), or tardy without valid excuse on three (3) or more days, is a truant.

Any student who has been reported as a truant two (2) or more times is a habitual truant.

**EXCUSED ABSENCES**

An excused absence or tardiness is one for which work may be made up, such as:

- **Death or severe illness in the pupil's immediate family,**
- **Illness of the pupil (a physician's statement may be required),**
- **Religious holidays and practices,**
- **Participation in school-related activities approved by the Principal,**
- **Court appearances,**
- **Act of God,**
- **Testing for driver's license, if accompanied by parent or guardian and approved by Principal,**
- **Treatment of head lice (maximum of three (3) absences per school year);**
- **One (1) day for attendance at the Kentucky State Fair,**
- **Documented military leave,**
- **One (1) day prior to departure of parent/guardian called to active military duty,**
- **One (1) day upon the return of parent/guardian from active military duty, or**
- **Other valid reasons as determined by the Principal, including trips qualifying as educational enhancement opportunities.**

Students shall be granted an excused absence for up to ten (10) school days to pursue an educational enhancement opportunity determined by the Principal to be of significant educational value. This opportunity may include, but not be limited to, participation in an educational foreign exchange program or an intensive instructional, experiential, or performance program in one (1) of the core curriculum subjects of English, science, mathematics, social studies, foreign language, and the arts.

Unless the Principal determines that extenuating circumstances exist, requests for date(s) falling within State or District testing periods shall not be granted.

The Principal's determination may be appealed to the Superintendent/designee whose decision may then be appealed to the Board under its grievance policy and procedures.

Students receiving an excused absence under this section shall have the opportunity to make up school work missed and shall not have their class grades adversely affected for lack of class attendance or class participation due to the excused absence.

**NOTES REQUIRED**

- **If a student is checked out of school for any reason, a valid excuse must be turned in to school before that departure can be excused. If no note is turned in to the office, any early dismissal will be counted as unexcused. A signature on the sign out sheet does not constitute a valid excuse. The same process must be followed when a student is signed in to school once the school day has begun.**

When students return to school, they shall bring notes signed and dated by the parents stating the reason for absence. The Principal or designee shall determine whether an absence is excused or unexcused. After a student has missed six (6) cumulative days within the current school year, s/he will be required to meet with the Principal to explain his/her extenuating circumstances or to present a statement from a licensed physician which indicates that it was medically inadvisable for the student to attend school/class. This note/statement is to be presented to designated personnel in the school office upon return to school.

After a student has missed 15 days (excused or unexcused) within the current school year, a parent or guardian will be required to contact the school to explain their child's extenuating circumstances or to present a Medical excuse Form from a licensed physician which indicates that it was medically inadvisable for the student to attend school. A completed Medical Excuse form must be completed and presented to the school before any absence after 15 days will be excused.

**The Medical Excuse form used by the Simpson County Schools can be found in the back of the Student Handbook.**

**The submission of a forged, altered, falsified, or fraudulent medical excuse, doctor's note, or attendance document is considered academic and attendance fraud. Any student found responsible for such conduct could be prohibited from participating in school activities.**

#### **NOTICE OF UNEXCUSED ABSENCES/UNEXCUSED TARDIES**

Once a student has accumulated three (3) unexcused absences (cumulative) and/or unexcused tardies, the Principal/designee shall notify the parents of the student.

When a student accumulates five (5) unexcused absences (cumulative) and/or unexcused tardies, the Principal/designee shall contact the parents again.

Upon the sixth unexcused absence (event)/tardy, a referral shall be made to the Director of Pupil Personnel. The referral shall contain documentation of parent/student contacts and attempts to correct the unexcused absence/tardy violation. The Director of Pupil Personnel will determine if the student and guardian will receive "final notice" giving one last chance for the attendance problem to be corrected. If the student continues to have unexcused absence events, a referral to the Simpson County Court Designated Worker may occur. Students involved with the Simpson County Court Designated Worker court diversion process may be required to participate in the Truancy Diversion Program or otherwise be subject to a Family Court hearing for truancy charges.

#### **APPEAL TO SCHOOL BASED ATTENDANCE COMMITTEE**

Each school shall establish a School Based Attendance Committee that will be composed of no less than three (3) certified members of the school staff. The Principal shall be responsible for establishing this standing committee.

A student and/or parent may appeal attendance issues to the School Based Attendance Committee. In order to appeal an attendance issue, the student and/or parent must apply to the Principal in writing to request an opportunity to be heard by the School Based Attendance Committee.

The Principal shall notify the student and/or parents as to the date, time and place of the meeting with the Committee within five (5) school days from the date the Principal receives the request.

Within five (5) school days following the meeting with the Committee, the student and/or parents shall receive written findings of the School Based Attendance Committee.

Should a parent and/or student not be satisfied with the findings of the School Based Attendance Committee, parents and/or students may file an appeal with the Central Office Attendance Committee within three (3) school days of being notified of the School Based Attendance Committee findings.

Within five (5) school days from the date the written appeal is received, the Director of Pupil Personnel shall notify the student and parents as to the date, time, and place of the meeting with the Central Office Attendance Committee.

Within five (5) school days following the meeting with the Committee, the student and/or parents shall receive written findings of the Central Office Attendance Committee.

If the appeal is denied, the student may be assigned to an alternative education program.

**STUDENTS HAVE THE RIGHT TO BE ACCOMPANIED BY THEIR PARENTS AND/OR REPRESENTATIVES DURING ALL MEETINGS WITH THE COMMITTEES**

#### **STUDENTS WITH DISABILITIES**

In cases, which involve students with disabilities, the procedures mandated by federal and state law for students with disabilities shall be followed.

### **ABSENCE, TARDY, AND DISMISSAL PROCEDURES**

#### **Returning to School After an Absence**

- **If a student is checked out of school for any reason, a valid excuse must be turned in to school before that departure can be excused. If no note is turned in to the office, any early dismissal will be counted as unexcused. A signature on the sign out sheet does not constitute a valid excuse. The same process must be followed when a student is signed in to school once the school day has begun.**
  - **STUDENTS WILL BE ALLOWED SIX (6) PARENT NOTES PER SCHOOL YEAR.**
1. Students absent for all or part of any day must, upon their return to school, bring a note to the main office stating the date(s) and/or times(s) absent and the reason(s) for the absence(s). All absences are recorded as unexcused until a note is brought in. Notes must be brought on the first day back upon returning to school.
  2. Students must bring these notes to the office early enough so that they can be in class by the time the tardy bell rings. Any student who is late to first period class for this reason will receive an unexcused tardy.

3. Students who do not bring a written excuse to the office will be given an unexcused absence/tardy regardless of the reason for the absence(s). The student then has three (3) days within which to bring a written excuse from his/her guardian, stating the reason(s) for the absence(s). The absence(s) will then be properly classified according to the policy.

#### Arriving to School Late

Students who arrive at school after the tardy bell must check in with the office before going to first period. Tardiness to school will only be excused when a student:

1. Arrives on a late bus;
2. Has been ill that morning as substantiated by a written excuse from a parent or doctor;
3. Presents an official legal document; or
4. Is delayed by extenuating circumstances approved by the Principal or his designee. (Note: Car trouble does not constitute "extenuating circumstances.")

#### Use of Instructional Time

During the school year, Franklin-Simpson High School will continually emphasize the productive use of instructional time. Our intent is to clearly establish teaching and learning tasks as the priority activities at Franklin-Simpson High School. For students to benefit from the strong emphasis on instruction, they must attend class regularly and be on time. Furthermore, this emphasis means that class interruptions must be limited only to emergencies. Any outside interference with the continuous progress of teaching and learning shall be considered an interruption. Emergencies exist when conditions arise that make it impossible or impractical to delay class interruptions until the next class change.

#### Early Dismissals

A student may be dismissed from school only when:

1. An authorized individual picks up and signs out the student;
2. The student presents a verifiable note from an authorized individual; or
3. An authorized individual contacts the school by telephone and that call can be verified.
4. Before a student will be permitted to leave, the parent or guardian will be contacted by front office staff.

Parents and guardians may designate individuals (including themselves, relatives, family friends, emergency contacts, etc.) who are authorized to facilitate their student's dismissal from school. Parents and guardians should take note of the times during which students may be dismissed for non-emergencies. Those times are between classes and during lunch.

Where possible, appointments to see doctors, dentists, etc. should be made after school hours or on Saturdays. When this is not possible, they should be made in such a way as to minimize time away from school. Parents are always discouraged from permitting students to leave school for the transaction of personal business.

### **SENIOR ATTENDANCE REQUIREMENTS TO PARTICIPATE IN COMMENCEMENT EXERCISES**

**Students who have met the threshold of graduating seniors at Franklin-Simpson High School shall meet the following requirement to participate in any and all graduating exercises including walking at Graduation. A senior student must not have more than SIX (6) unexcused absences during the school year. After the 6<sup>th</sup> unexcused absence, the student will be denied the opportunity of participating in all graduation exercises (including the Senior Walk, Senior Breakfast and the Graduation Ceremony) for their senior class. The student will receive their diploma if they meet the graduation requirements but will forfeit the opportunity to participate in graduation exercises.**

### **MAKE-UP WORK**

When excused absences occur, students, teachers, and parents must give immediate attention to the work missed by the student. Special efforts must be made by each of these to see that missed work is made up in accordance with the following policies and procedures:

Unexcused Absences When unexcused absences occur, students could receive zeros on all graded work. Teachers and administrators may collaborate and use their discretion.

#### Student Responsibility

It is the responsibility of the student, immediately upon return from an absence, to make arrangements with his/her teachers to make up all work, including quizzes, tests, and other assignments. If a quiz, test, or other assignment has been scheduled prior to the absence, the student is required to take the test on his/her return. If a student knows in advance of a day when he/she will be out of school, he/she should make arrangements to complete the work before he/she is absent. Otherwise, under normal circumstances, students will have at least one day per unplanned absence to make up their work.

## DISCIPLINE PLAN

The administration, faculty, and staff of Franklin-Simpson High School believe that good behavior is a cooperative effort and a matter of common sense. If every student were to adopt the policy that the main purpose of school is to learn as much as they can, and strive toward that goal, disciplinary problems would be minimized; however, some students have not yet reached that level of maturation.

There are two major components of the discipline program at Franklin-Simpson High School. The first component concerns the individual classroom plans which will be constructed and implemented by each teacher with the support and cooperation of the administration. The second component concerns the school-wide plan which covers not only the classroom, but also the entire campus.

Franklin-Simpson High School follows the Simpson County Schools Code of Acceptable Student Behavior and Discipline adopted by the Simpson County Board of Education. For those programs and situations unique to Franklin-Simpson High School, more information is available below.

## FSHS BEHAVIOR MATRIX

On the following pages is the behavior matrix developed by the administration of Franklin-Simpson High School. This behavior matrix will be used by administrators to address discipline issues that occur within our school. Students and parents should become familiar with this matrix.

There are a few things which must be noted in regards to discipline issues at FSHS.

- The third event which results in an Out of School Suspension may result in a referral to the Alternative School.
- The Alternative to Suspension Program (ASP) meets in the same room as ISI.
- The Matrix will be used as a general guideline. Administrators reserve the right to use discretion when addressing individual issues.
- Students currently serving out of school suspension or in an alternative to suspension program (ASP) may not participate in any athletic, co-curricular, or extracurricular activities, meetings, practices, competitions, or field trips.
- Any student referred to West Campus will be ineligible for participation in any extracurricular activities including athletics and club activities for the duration of the West Campus referral.

The Matrix is divided into Low level offenses and High Level offenses and follows the Simpson County Code of Acceptable Student Behavior. The FSHS Behavior Matrix may be found on the following pages.

### Selected Inappropriate Behaviors Defined

- **Bullying-** is repeated or potentially repeatable, unwanted aggressive behavior—physical, verbal, social, or digital—that involves a real or perceived power imbalance and is intended to harm, intimidate, or control another person.
- **Contributing to a Fight-** Any behavior that promotes, allows or encourages others to fight.
- **Electronic Media Violation-**Unauthorized use or possession of electronics.
- **Incorrigible Behavior-**Any behavior pattern of behavior that is not appropriate in a school setting.
- **Physical Aggression-** Unwanted aggressive physical contact.
- **Social Media Violation-**Using any Social Media Platform in an inappropriate manner.
- **Skiping-**Not being where a student is supposed to be.
- **Unauthorized Recording-**Photographing, voice recording or video recording of any person without their consent.

### BULLYING/HAZING - (SCB 09.422)

In order to effectively participate in the democratic process as adults, students must learn to respect the rights of others and to interact with them in a civil manner. Therefore, students are required to speak and behave in a civil manner toward students, staff and visitors to the schools.

**ACTIONS NOT TOLERATED—** The use of lewd, profane or vulgar language is prohibited. In addition, students shall not engage in behaviors such as hazing, bullying, menacing, taunting, intimidating, verbal or physical abuse of others, or other threatening behavior. This policy extends to any/all student language or behavior including, but not limited to, the use of electronic or online methods. Such behavior is disruptive of the educational process and interferes with the ability of other students to take advantage of the educational opportunities offered.

These provisions shall not be interpreted to prohibit civil exchange of opinions or debate protected under the state or federal constitutions where the opinion expressed does not otherwise materially or substantially disrupt the education process. However, students who violate this policy shall be subject to appropriate disciplinary action.

### HAZING DEFINED

Per KRS 508.180, “hazing” is defined as a direct action which substantially endangers the physical health of a minor or student for the purpose of recruitment, initiation into, affiliation with, or enhancing or maintaining membership or status within any organization, including but not limited to actions which coerce or force a minor or a student to:

- a) Violate federal or state criminal law;
- b) Consume any food, liquid, alcoholic liquid, drug, tobacco product, or other controlled substance which subjects the minor or student to a risk of serious physical injury;
- c) Endure brutality of a physical nature, including whipping, beating or paddling, branding, or exposure to the elements;
- d) Endure brutality of a sexual nature; or

- e) Endure any other activity that creates a reasonable likelihood of serious physical injury to the minor or student.

### **LUNCH DETENTION**

Lunch Detention is assigned to students for tardiness, absenteeism, and minor offenses of school regulations. When assigned Lunch Detention, students are expected to report to the Cafeteria. There is a table labeled "Lunch Detention." Students assigned to lunch detention must check in with an adult before going to the table. During lunch detention, students must follow these rules: no heads down, no electronic devices (cell phones, Chromebooks, etc.), no friends sitting with them, and no interacting with other students. Students are to serve Lunch Detention during the first available lunch period after detention is assigned.

### **IN SCHOOL ISOLATION (ISI) EXPECTATIONS**

Students assigned to In-School Isolation (ISI) are expected to follow all rules and complete their academic assignments as directed. Expectations will be clearly communicated at the start of each day and are strictly enforced throughout the duration of the assignment.

Students must attend ISI for the full school day from **8:00 a.m. to 3:00 p.m.** on each of their assigned days. **Leaving early or failing to complete the full day will result in additional time in ISI.**

***While in ISI, students will:***

- **Complete all assigned academic work** quietly and independently
- **Follow all posted rules and directions** given by ISI staff
- **Remain in their assigned seat** unless given permission to move
- **Refrain from talking, sleeping, or using electronic devices** (unless permitted for academic purposes)
- **Take scheduled restroom breaks** in the morning and afternoon
- **Eat lunch in the ISI room** under staff supervision
- **Maintain respectful behavior** toward staff and peers at all times

Failure to follow ISI rules or complete assigned work may result in additional disciplinary referrals and more serious consequences.

***Expectations for Students in In-School Isolation (ISI):***

- **Be Silent** – Communication is limited to the ISI staff. Students are not permitted to speak with peers.
- **Be Awake and Alert** – Students must remain awake and attentive throughout the day.
- **Be On Task** – Students are expected to focus solely on assigned academic work. Personal or non-academic materials are not allowed.
- **Complete SEL Assignments** – Students must fully engage with and complete all Social and Emotional Learning activities as assigned.
- **Complete Vaping Education Assignment** – Students assigned to ISI for vaping-related offenses must complete the designated smoking cessation/vaping education assignment.
- **Be Compliant** – All school-wide rules and expectations, as outlined in the Student Handbook, must be followed at all times.

***Upon Arrival to ISI, Students Will:***

- Turn in their cell phone to ISI staff
- Be assigned a designated seat for the day
- Review ISI expectations and daily procedures
- Complete a reflection activity based on a Harbor video and/or a Social-Emotional Learning (SEL) topic.

### **ISI Classroom Points System**

Students will earn points every hour based on the following **five key behaviors**:

1. **On Task** – Staying focused and working during the assigned time.
2. **Respect** – Demonstrating respectful behavior toward staff and peers.
3. **Silent** – Remaining quiet unless given permission to speak.
4. **Following Directions** – Complying with all instructions the first time given.
5. **Completed Assignments** – Finishing assigned academic or behavior tasks on time.

Points can be tallied at the end of each hour or period to monitor progress, reinforce expectations, and encourage positive behavior.

- 27–30 points: Excellent – no additional days
- 20–26 points: Satisfactory – review expectations
- Below 20 points: Conference or repeat ISI

**“Students are the change agent within the school climate”**

1. Franklin-Simpson High School, by creating a supportive and encouraging environment, will foster a safe and secure school setting that will promote tolerance, respect, and compassion towards others.
2. **ACTIONS NOT TOLERATED** – The use of lewd, profane or vulgar language is prohibited. In addition, students shall not engage in behaviors such as hazing, bullying, menacing, taunting, intimidating, verbal or physical abuse of others, or other threatening behavior. This policy extends to any/all student language or behavior including, but not limited to, the use of electronic or online methods. Such behavior is disruptive of the educational process and interferes with the ability of other students to take advantage of the educational opportunities offered.
3. A person is being bullied when he or she is exposed repeatedly and over time to negative actions on the part of one or more other persons.
  - a. Physical bullying: pushing and shoving (where hurt is intended), kicking, invasion of personal space, the destruction of property, tripping, punching, tearing clothes, standing over someone, pushing books from someone's hands, shooting/throwing objects at someone .
  - b. Verbal bullying: any comment of an offensive nature that refers to ability, race, religion, gender or sexuality; including name-calling, offensive language, spreading of rumors, using words that suggest stupidity or physical problems, mocking, imitating, teasing, abusive phone calls, laughing at someone's mistakes, using unwelcome nicknames (this can include electronic and digital forms of communication)
  - c. Gesture bullying: includes making gestures (physical, verbal and written) to intimidate or to embarrass.
  - d. Exclusion bullying: includes the deliberate isolation (both explicit and implicit) of an individual student from his peer group.
  - e. Extortion bullying: the use of force to obtain money, food or personal belongings from other students; harassing other students to do tasks e.g. blackmail, academic extortion, carrying materials.
  - f. E-bullying: the use of information and communication technologies such as email, text messages, instant messaging, defamatory personal websites and defamatory personal polling websites, to support deliberate, repeated, and hostile behavior by an individual or a group that is intended to harm others.
4. Student expectations are as follows:
  - a. Students must make a conscious decision not to be involved in any incidents of bullying.
  - b. Students must take some form of preventative action if present when a bullying incident occurs.
  - c. Students must report any incidents of bullying to a staff member either in person or through anonymous means.
  - d. The student code of conduct will be followed by every student while on school grounds, when traveling to and from school, or school-sponsored events. This includes any use of Social Media or behavior at off-campus events that creates a disruption to the educational process or threatens the safety of students on campus.
5. Disciplinary action will be enforced as follows. Disciplinary action is subject to change based on the principal's discretion.
  - a. 1<sup>st</sup> offense: State expectations, student counseled, and parent notified.
  - b. 2<sup>nd</sup> offense: State expectations, student disciplined (i.e. ISI, behavior plan, suspension), referred to school counselor or social worker, and parent notified.
  - c. 3<sup>rd</sup> offense: Student disciplined (Alternative placement - Short Term and SRO notified.
  - d. 4<sup>th</sup> offense: Student disciplined (Alternative placement - Long Term and SRO notified.
6. Franklin-Simpson High School expects students and staff to immediately report incidents of bullying to administration.
  - a. Staff are expected to immediately intervene when they see a bullying incident.
  - b. Each complaint of bullying should be promptly investigated.
7. All reports of bullying will be investigated by FSHS staff. The nature and extent of the investigation will depend on the seriousness of the allegation.
8. Following the completion of an investigation into bullying, FSHS will implement such measures as are appropriate which could include one or more of the following:
  - a. Conflict resolution/mediation with students and/or families involved
  - b. Counseling
  - c. Restitution
  - d. Behavior Plan
  - e. In School Isolation (ISI)
  - f. Suspension
  - g. Alternative Placement
  - h. Expulsion
9. Franklin-Simpson High School will make reasonable efforts to keep a report of bullying and the results of investigation confidential. If retaliation against the victim or reporter occurs, the offending party will be subject to disciplinary action, including notification of law enforcement.
10. Falsely accusing a student of bullying will also result in disciplinary action.

## **HAZING DEFINED**

Per KRS 508.180, "hazing" is defined as a direct action which substantially endangers the physical health of a minor or student for the purpose of recruitment, initiation into, affiliation with, or enhancing or maintaining membership or status within any organization, including but not limited to actions which coerce or force a minor or a student to:

- a) Violate federal or state criminal law;
- b) Consume any food, liquid, alcoholic liquid, drug, tobacco product, or other controlled substance which subjects the minor or student to a risk of serious physical injury;
- c) Endure brutality of a physical nature, including whipping, beating or paddling, branding, or exposure to the elements;
- d) Endure brutality of a sexual nature; or
- e) Endure any other activity that creates a reasonable likelihood of serious physical injury to the minor or student.

## **SCHOOL SAFETY**

Students who appear to pose a threat to others either due to a pattern of concerning behavior or to a specific extreme behavior in addition to being suspended may be referred to the School Safety Review Board (SSRB) for further consideration. Examples of concerning behavior include but are not limited to violent writings or drawings (e.g., "hit lists," direct threats, implied threats, themes of violence, internet communications), violent or aggressive behavior, preoccupation with real or fictional violence, and threatening statements.

The SSRB membership consists of

- Administrator – Principal or Assistant Principal
- Student Assistance Coordinator
- Guidance Counselor
- Teacher familiar with the student being reviewed

The student and a guardian must meet with the SSRB to discuss the behaviors that resulted in the suspension in addition to reviewing the student's academic, behavioral, and attendance records. Following the hearing, the SSRB will make a recommendation regarding length of suspension or potential referral to the Simpson County Board of Education for expulsion. If the student is allowed to return to FSHS, the SSRB may make additional recommendations in the form of a behavioral contract. The Principal/designee makes the final determination regarding the student's outcome (e.g., suspension days, expulsion, and other requirements). Students who do not fulfill the behavioral expectations outlined following a SSRB hearing risk a subsequent referral for expulsion.

The purpose of the SSRB is to have a structure and process to assess and respond to potential threats to safety. When possible, the goal will be to create a safety and intervention plan with the concerning student and his/her guardian. When making its recommendations, the Board considers the best course of action for *both* the offending student *and* the student body as a whole.

## **SUSPENSION**

### **WHO MAY SUSPEND**

In accordance with KRS 158.150,1 the Superintendent, Principal or Assistant Principal may suspend a student up to a maximum of ten (10) days per incident. Any student recommended for suspension in excess of ten (10) days cumulative per school year shall be referred to the Superintendent.

### **PRIOR DUE PROCESS REQUIRED**

A student shall not be suspended until due process procedures have been provided as described in KRS 158.150 (09.431)1, unless immediate suspension is essential to protect persons or property or to avoid disruption. If the Superintendent lengthens the period of suspension imposed by the Principal, additional due process shall be provided.

A student who is removed from the same classroom three (3) times within a thirty (30) day period shall be considered "chronically disruptive: and may be suspended from school and no other basis for suspension shall be deemed necessary.

## **EXPULSION**

The Board may expel or extend the expulsion of any student pupil from the regular school setting for misconduct as defined by law. Provision of educational services will be required unless the Board determines, on the record and supported by clear and convincing evidence, that the expelled student posed a threat to the safety of other students or school staff and could not be placed in a state-funded agency program.

The Board shall require the expulsion from school for a period of at least twelve (12) months for a student who is determined by the Board:

1. Through clear and convincing evidence to have made threats that pose a danger to the well-being of students, faculty, or staff of the District;
2. To have brought a weapon to a school under its jurisdiction per Board Policy 05.48.
3. Other misconduct mentioned in the Simpson County Schools Student Code of Conduct.

The Board may expel a student for longer than twelve (12) months.

Behavior that may be determined to pose a threat shall include, but not be limited to, the physical assault, battery, or abuse of others on or off school property (and the incident is likely to substantially disrupt the educational process): the threat of physical force; being under the influence of drugs or alcohol; the use, possession, sale, or transfer of drug or alcohol; the carrying, possessing, or transfer of weapons or dangerous instruments; and any other behavior that may endanger the safety of others.

## TARDIES TO SCHOOL

If a student arrives for classes any time after the bell rings to begin first period they are considered tardy to school. Students who are tardy to school must report to the office to sign in and get a note from the office. Students who accumulate more than 2 unexcused tardies to school will face the following disciplinary actions:

- 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> unexcused tardy to school- Student will be assigned the next available Lunch Detention.
- 6<sup>th</sup> unexcused tardy to school- Student will be assigned after-school detention.
- In addition, students who drive to school will lose parking privileges for 3 weeks on their 3<sup>rd</sup> unexcused tardy to school. Students who drive will lose parking privileges for 6 weeks on their 6<sup>th</sup> unexcused tardy to school.
- 7<sup>th</sup> unexcused tardy to school- Student will be assigned 2 days of after-school detention. The student will also lose parking privileges.
- 8<sup>th</sup> unexcused tardy to school- Student will be assigned 3 days of after-school detention. The student will also lose parking privileges.

For each successive tardy after 8, further disciplinary measures, including a behavior contract, will be utilized. Students will also lose parking privileges for lengthy periods of time. Car trouble, oversleeping, missed bus, etc. are not valid excuses for tardiness and will not receive an excused tardy.

A student with habitual unexcused tardiness to school may find themselves referred to the Director of Pupil Personnel for consideration of charges being filed with the Court.

## TARDIES TO CLASS

Students are to be in the classroom and ready for class to begin, as defined by the teacher, when the tardy bell rings. Tardies to all periods will be counted cumulatively. For the first 2 unexcused tardies to class the student will receive a verbal warning. For unexcused tardies following, the consequences will be as follows:

- **3<sup>rd</sup> 4<sup>th</sup> and 5<sup>th</sup> unexcused tardy to class-** Student will be assigned the next available Lunch Detention.
- **6<sup>th</sup> unexcused tardy to class-** Student will be assigned 1 day of after-school detention.
- **7<sup>th</sup> unexcused tardy to class-** Student will be assigned 2 days of after-school detention.
- **8<sup>th</sup> unexcused tardy to class-** Student will be assigned 3 days of after-school detention.

For each successive tardy after 8, further disciplinary measures, including a behavior contract, will be utilized.

## INAPPROPRIATE LOCATION / SKIPPING

Being absent from school or any class without permission is considered skipping and is strictly prohibited. Skipping includes, but is not limited to, the following:

- Failing to be in the required school/class area without prior teacher or administrator approval; this includes reporting more than five (5) minutes late to class without a valid excuse or authorized pass.
- Leaving school grounds without being properly checked out through the office.
- Being absent from school without the knowledge and approval of a parent/guardian.
- Being absent from assigned class without permission even if the student remains on campus.

**1<sup>ST</sup> Offense** - One full day of ISI and parent contact. Any student who parks on campus will surrender their parking tag for one week if found to be in the parking lot without permission or found to have left campus without permission.

**2<sup>nd</sup> Offense** - Two full days of ISI and parent contact. The student will also surrender parking privileges for two weeks.

**3<sup>rd</sup> Offense** - Three full days of ISI and a parent contact. The student will also surrender parking privileges for 3 weeks. A referral to the Alternative School may be made.

**4<sup>th</sup> Offense** - Five full days of ISI and a parent contact. The student will also surrender parking privileges for 5 weeks. A referral to the Alternative School may be made.

## STUDENT DRESS AND APPEARANCE

Students should dress appropriately for the occasion and avoid extremes in clothing, cosmetics and hair styles. Students should feel a responsibility to present a suitable appearance in order to reflect credit upon themselves and their family, school and community. The primary purpose of this policy is to avoid embarrassment for students and parents, and to ensure an educational climate that is not disrupted or impeded.

Following are guidelines for student dress:

- Modesty and avoidance of distractions are keys to appropriate dress;
- Wearing of attire/cosmetics and/or presentation of extraordinary personal appearance, costumes that hide someone's identity or imitate someone or something else, or any unsanitary body condition which, in the judgment of the administration, significantly disrupts school work, or threatens the health of other pupils and/or faculty, is prohibited;
- Hats, caps, bandanas/headbands & hoods shall not be worn in school, with the exception of days designated by the Principal.

- Baggy clothes are not permitted. Pants should be worn at the waist;
- "Trench coats", "dusters", or other coats which extend below the knee are prohibited;
- Sunglasses shall not be worn inside the school building without a medical excuse. (A doctor's note must be presented beforehand.);
- Shorts must reach fingertip length while standing. Skirts and dresses should be no shorter than three inches above the knee for secondary students. Extremes should be avoided (e.g. shortness and tightness of garment);
- Yoga/Biker, compression, leggings, or spandex shorts are not permitted.
- Patches, emblems, tattoos and clothing depicting vulgarity, profanity, or sexual content, or clothing that advertises alcoholic beverages, tobacco products or illegal substances, or clothing that is perceived degrading to others shall not be permitted. This shall include but is not limited to the following: Black Panthers, Confederate Flag, Nazi Swastika, Gang Symbols, and/or hate groups of any sort, etc.;
- The body shall be appropriately covered at all times.
- The nude look and/or see-through or cutaway styles that expose the ribcage or midriff, shoulders, or chest are prohibited. Sleeveless attire is acceptable for girls. Boys must wear clothing with sleeves at all times.
- Chains (such as long chains classified as billfold chains) or jewelry which may present a safety hazard if misused are prohibited. Jewelry symbolizing drugs or illegal substances is prohibited.
- Students are prohibited from wearing attire which exposes undergarments. Students are not permitted to wear clothes with holes above fingertip length/three inches above the knee (same guidelines as shorts).
- While jackets and sweaters are acceptable, students are prohibited from bringing blankets and/or pillows to school.

The Principal/designee is authorized to interpret this policy when students wear clothing that is a variation of or is not included in these guidelines.

On pre-announced days (e.g. during homecoming or testing weeks), students may be exempt from portions of this dress code.

When informed of a dress code violation, the student must correct the situation by removing the offending item and/or changing into more suitable clothing before he/she returns to class. If necessary, parents will be notified to bring suitable clothes to school and/or the student will be sent home to change clothes. If necessary, disciplinary action may be taken by the Principal.

### ACADEMIC DISHONESTY/PLAGIARISM

Honesty and integrity are core values of an academic institution. Academic dishonesty infringes on these values and is unacceptable behavior at Franklin-Simpson High School that cannot be justified. Academic dishonesty includes, but is not limited to, cheating and plagiarism. Each teacher will explain to students how academic dishonesty is defined in their classroom for their specific academic area. Any student found demonstrating academic dishonesty will be at risk of academic/classroom and administrative consequences. Academic consequences will be established by the teacher and expressed to the student. Classroom consequences may vary by teacher, but administrative consequences are defined on the FSHS Discipline Matrix. Academic dishonesty is a serious offense and will be treated as such by both the teacher and administration. FSHS strives to help students grow, not only academically, but also as moral and ethical citizens of our community.

Academic dishonesty also includes the **unauthorized use of artificial intelligence (AI) tools or other technology** to complete assignments, generate answers, or produce work that is submitted as the student's own without explicit permission from the teacher. This includes using AI to write essays, complete problem sets, answer questions, or bypass learning expectations.

While most students recognize copying another student's homework or test paper as cheating, few realize that plagiarism is just as serious. Student access to the internet and other media sources has caused increasing concerns over plagiarism, and merits its discussion here.

According to the *MLA Handbook for Writers of Research Papers*, plagiarism refers to a form of cheating that has been defined as "the false assumption of authorship: the wrongful act of taking the product of another person's mind and presenting it as one's own." To use another person's ideas or expressions in your writing without acknowledging the source is to plagiarize. Plagiarism constitutes intellectual theft and carries severe penalties, including possible failure in a course.

Plagiarism includes, but is not limited to, the following:

- \* Putting your name on somebody else's work
- \* Copying sentences from somebody else's work so that they appear to be yours
- \* Changing only a few words of another's work but keeping the shape and size of the original passage
- \* Not keeping the source of ideas clear (stealing ideas or thoughts from a television show, movie, video game, or any other print or media source)
- \* Turning in another student's work without that student's knowledge
- \* Turning in a paper that a peer has written for you
- \* Paraphrasing materials from a source text without proper documentation
- \* Copying materials from a source text, supplying proper documentation, but leaving out quotation marks
- \* Buying or using a paper from a research service or "term paper mill"
- \* Turning in a paper from a "free term paper" website

Since this list is not inclusive, students having questions about any possible examples should ask their teachers. Plagiarism on a required English research paper, or on the required Writing Portfolio, automatically results in a failing grade in English for the semester in which the paper or portfolio is completed.

### **TELECOMMUNICATION DEVICES (ELECTRONIC COMMUNICATION DEVICES)**

When a cell phone is being used for any non-instructional purpose during class time (including but not limited to the following: to check the time, to use it as a calculator, to listen to music, to text, or talk) it may be confiscated by the teacher and turned into the office. When a phone is confiscated it must be turned over intact. Removing the SIM card from the phone or refusing to surrender the phone will result in serious disciplinary action.

1. On the first offense, the student must surrender the phone immediately to any staff member. At the discretion of school staff, the phone may be picked by the student, along with a warning of future consequences.
2. On the second offense, the student must immediately surrender the phone to any staff member. The phone may be picked up at the end of the school day by a parent or guardian and the student will be assigned one full day in ISI.
3. On the third offense, the student must immediately surrender the phone to any staff member. The phone may be picked up at the end of the school day by a parent or guardian and the student will be assigned 2 full days in ISI.
4. On the fourth offense, the student must immediately surrender the phone to any staff member. The phone may be picked up at the end of the school day by a parent or guardian and the student will be assigned 3 full days in ISI.

Subsequent offenses may be viewed as defiant behavior and consequences will continue to escalate.

Any phone left at the school after the school year may be donated to an appropriate charitable organization.

Students and parents should also refer to the Simpson County Board of Education policy regarding cell phones and other electronic devices.

### **TOBACCO ALTERNATIVE NICOTINE AND VAPOR PRODUCTS (SCB 09.4232)**

Evidence-based, age-appropriate nicotine prevention and cessation material shall be distributed to all students at the beginning of each school year, and students shall have access to the material throughout the school year.

Students shall not be permitted to use or possess any tobacco alternative nicotine or vapor products on property owned or operated by the Board, inside Board-owned vehicles, on the way to and from school, and during school-sponsored trips and activities. Students who violate these prohibitions while under the supervision of the school shall be subject to penalties set forth in the local code of acceptable behavior and discipline. Use of tobacco alternative nicotine and vapor products is prohibited at all times in or on any property owned or operated by the Board. In addition, use of tobacco in any form shall not be permitted in outdoor facilities owned or operated by the Board during all District-sponsored activities, including sporting events.

School employees shall enforce the policy. Students who violate these prohibitions while under the supervision of the school shall be subject to penalties set forth in the Code of Acceptable Behavior and Discipline.

#### **Penalties**

If a student under the age of twenty-one violates this policy, then the District will confiscate the alternative nicotine products, tobacco products, or vapor products and:

1. For the first incident, the school counselor or other school-based mental health services provider shall provide to the parent or guardian and the student evidence-based, age-appropriate nicotine cessation information to include but not be limited to materials, programs, and referrals for treatment in addition to any other punishment determined under the individual schools code of conduct.
2. A second incident shall result in providing information listed above and disciplinary action as determined by the Board and included in the schools code of conduct.
3. Third and subsequent incidents may result in an in-school or out-of-school suspension. The school shall provide the opportunity for a student to complete an evidence-based, age-appropriate nicotine education program during an in-school suspension.

Any products containing THC or synthetic products that possess similar mind or mood altering properties will be dealt with under the drug, alcohol, and controlled substances policy.

### **DRUGS AND ALCOHOL**

The Simpson County Schools Code of Acceptable Student Behavior and Discipline clearly outlines actions required by all schools for any drug-related offenses (please review). In addition, at FSHS all students with drug-related offenses (as described in the "Code of Acceptable Student Behavior and Discipline") will be referred to the FSHS School Based Drug Review Board (SBDRB) for a hearing. The SBDRB membership consists of

- Administrator – Principal or Assistant Principal
- Student Assistance Coordinator
- Guidance Counselor
- Teacher familiar with the student being reviewed

During the minimum five days suspension following a drug-related offense, the student and a guardian must meet with the SBDRB to discuss the offense in addition to reviewing the student's academic, behavioral, and attendance records. Following the hearing, the SBDRB will make a

recommendation regarding length of suspension, referral to our alternative school or potential referral to the Simpson County Board of Education for expulsion. School Board policy requires students who are *not* expelled to obtain an evaluation from a qualified alcohol/drug counselor (see policy for details). Also, if the student is allowed to return to FSHS, the SBDRB may make additional recommendations in the form of a behavioral contract. The Principal/designee makes the final determination regarding the student's outcome (e.g., suspension days, expulsion, and other requirements). Students who do not fulfill the behavioral expectations outlined following a SBDRB hearing risk a subsequent referral for expulsion.

The goal of the SBDRB is to use the drug-related offense as an opportunity for intervention. The Board's mission is to promote a healthy, safe, and drug-free school environment at Franklin-Simpson High School through implementation of clear and consistent consequences for drug-related violations. When making its recommendations, the Board considers the best course of action for *both* the offending student *and* the student body as a whole.

*\* Failing a drug test from the random drug testing program is not considered a drug-related school offense as described above. The random drug testing program is confidential and is administered with students who participate in extracurricular activities, park on campus, or are signed up by their guardians to participate.*

## **BUS CONDUCT (SCB 9.226)**

The District Transportation Services Policy shall be provided to all transported students and their parents/guardians. Each student and at least one (1) of their parents/guardians shall acknowledge in writing the receipt, comprehension, and agreement of adherence to the Transportation Services Policy.

Bus drivers will assist the Principal and Central Office personnel in enforcing the rules of conduct on school buses. If any pupil persists in violating these rules, the driver shall notify the Principal. The Principal may withhold bus-riding privileges (consistent with Board policies 06.34 and 09.2261) if the pupil continues to disobey the rules. If withholding of bus-riding privileges becomes necessary, the Principal shall notify the parents and inform the appropriate Central Office personnel.

When a driver determines that a student is creating a dangerous situation on a bus the driver may upon making a written report to the superintendent refuse transportation services until an interim or final disciplinary decision is made.

## **West Campus of FSHS**

The Alternative School Program is now part of Franklin-Simpson High School. Formerly known as LOPC, it is now known as the "West Campus of Franklin-Simpson High School".

### **WEST CAMPUS UNITS**

The West Campus will consist of 3 units: (1) Short Term Unit: intended for students to only stay for 30 school days and exit is based on a points-based system. If points are successfully earned in 25 school days, the student will transition back to the FSHS main campus. The maximum stay in the short-term unit is 40 days. If the student doesn't successfully earn required points at the end of 40 school days, the student will be transitioned to the Long Term Unit for the remainder of the school year. (2) Long Term Unit: intended for the student to stay for the remainder of the school year and each student will be re-evaluated to determine placement for the next school year. (3) Virtual Learning Unit: intended for students who need to use credit recovery programs to recover failed credits to graduate. Virtual Learning Unit students (in good standing) may be offered the opportunity to take classes at the FSHS main campus to acquire transition ready credentials.

### **STUDENT REFERRAL PROCEDURE AND ADMISSIONS**

Franklin-Simpson High and Franklin-Simpson Middle School administration make referrals to the West Campus. The Simpson County Board of Education may also refer students. When a student is referred to the West Campus, he or she will be placed in one of the 3 units consisting of the Short Term Unit, Long Term Unit and Virtual Learning Unit. Upon being placed at the West Campus, the student and parents will meet with the West Campus Director, school social worker or a designee for orientation. Any student referred to West Campus shall be ineligible to participate in any extracurricular activities, including athletics, for the duration of the referral. Students wishing to be enrolled at West Campus as either in person or Virtual Learning students must meet certain criteria. Please contact the Guidance Department for more information.

### **HOURS OF OPERATION**

West Campus school hours are from 8:00 am until 3:00 pm. Students are to arrive at school between 7:30am and 8:00am and be picked up after school between 3:00 pm and 3:30pm. Students are not to be on campus before 7:30am or after 3:30 pm unless specifically authorized by West Campus staff. Students are to immediately enter the building upon their arrival on campus. Anyone arriving after 8:00 am or leaving before 3:00pm will be considered tardy.

### **TRANSPORTATION/ARRIVAL & DISMISSAL**

Bus transportation is provided for students at West Campus. Students riding the bus will ride the same bus they would ride if they were a student at FSHS. West Campus students are expected to follow the rules set forth by the driver and the Simpson County Board of Education. Failure to do so will result in loss of bus privileges.

Whether riding the bus, driving, walking or being dropped off by another driver, students must enter the school building immediately upon arrival. Students may not stand in the parking lot or wait in cars after arrival to school. At afternoon dismissal, students must exit the school and parking lot immediately, unless waiting on a ride. Students who are waiting to be picked up must wait at the staff designated area or inside the school building until their ride arrives.

## GRADUATION REQUIREMENTS

The West Campus offers the opportunity for graduation from Simpson County Schools with the Standard High School Diploma. The Standard Diploma meets the Kentucky minimum high school graduation requirements of 28 credits. West Campus will follow a trimester schedule to be congruent with grading and curriculum at Franklin-Simpson High School. During the transition phase, West Campus classes will fall under these graduation requirements: The following classes are required for graduation:

| SUBJECT AREA     | # of CREDITS                 |
|------------------|------------------------------|
| English          | 4 in four different classes  |
| Math             | 4 in four different classes  |
| Social Studies   | 3 in three different classes |
| Science          | 3 in three different classes |
| Health & P.E.    | 1                            |
| Humanities       | 1                            |
| Personal Finance | 1                            |
| Electives        | 7                            |
| Total            | 24                           |

### Formula for transfer students:

The West Campus will hold its own graduation ceremony. The West Campus diploma will be titled: Franklin-Simpson High School West Campus. This graduation ceremony will be for Long Term Unit and Virtual Learning Unit students. The Short Term Unit students will remain on schedule with the requirements of the Franklin-Simpson High School main campus. Any Senior assigned to the Short Term unit must accrue 90% of possible points to graduate from Franklin-Simpson High School. Seniors not successful in the Short Term unit will graduate from West Campus.

## STUDENTS WITH DISABILITIES

In cases involving students with disabilities, the procedures mandated by Federal and State law for students with disabilities shall be followed.

## RETENTION OF RECORDS

While the Simpson County Schools maintain attendance and academic records for all current and former students, Kentucky Records Retention Guidelines describe how we are to maintain and/or destroy Exceptional Student Records according to PL 94-142, Sec. 300.573 and PL 93-380 Sec. 513. The following records will be destroyed five years after the student's educational program has been completed, or after five years of inactivity:

- \* All notices of placement, record disclosures, and ARC meetings
- \* All due process forms, including ARC conference summaries, parental permissions for testing and placement, developmental/social histories, and any other information contained within the Due Process Folder

Copies of these records will not be retained unless requested in writing. For further information contact Director of Exceptional Children Programs Kelly Baker at (270) 586-8877.

## STUDENT RESPONSIBILITIES

As a student at Franklin-Simpson High School, you are expected to be aware of and to accept your individual responsibilities in the following areas:

1. The Teaching-Learning Process -- You deserve the best instruction that Franklin-Simpson High School is capable of providing. For the efforts of the teachers to be as successful as possible and for you to work and achieve to the best of your ability, you must cooperate with the teachers. Like farming and healing, teaching is a cooperative art because it involves cooperation with nature to help it produce results. Teachers help the activity of learning that goes on in the minds of the students. Learning is a natural process and unless students work at gaining knowledge and understanding, "...no genuine learning ever occurs, no matter what teachers try to do to make it occur." (Alder)
2. Respect For The Rights of Others -- Every right you have has attached to it an obligation. Your rights must be balanced against the rights of others, and their rights must be balanced against yours. Also, the purpose of the school and the requirements of the educational process must be weighed in deciding who has a right to do what and what behavior needs to be punished. That is why our society has laws and why a school has rules. However, if you are one of those students who wants to take full advantage of your rights and opportunities at this school, while at the same time respecting the rights of others, we at Franklin-Simpson High school will support and help you.
3. Responsibility For Your Own Actions -- You will be held responsible only for the things you do or fail to do. What others do or do not do is of little importance in determining whether or not you have accepted your responsibility as a student-citizen of Franklin-Simpson High School. If you choose to follow bad examples set by a few of the other students, you will be held responsible for your actions and your actions only. The decision will be yours, and so will the consequences. Your first responsibility, then, is to decide how you should conduct yourself while you are at school. Your important second responsibility is to be prepared to accept the consequences of your actions.

### **PARENTAL RESPONSIBILITIES**

The Simpson County Board of Education believes that the ultimate responsibility for a student's behavior rests with his parents. Students are to respect constituted authority, which includes obedience to school rules, regulations and procedures. The Board anticipates that parents will be concerned and cooperative in dealing with any behavioral problems which may arise, and expects that this cooperation will be made apparent to the child. Therefore, one of the most significant objectives of discipline must be to develop within the individual student the desire to exercise his rights judiciously. To realize this objective, the school reserves the right to hold parental conferences, guidance conferences, or conferences with the court, and the right to request schedule changes.

### **ASBESTOS NOTICE**

This notice is to assure you that the Simpson County School System is in compliance with both national and state regulations and laws relating to building materials which contain asbestos that have been used in building construction in past years.

An inspection for building materials which contain asbestos has been completed for all school buildings owned, leased or otherwise occupied by the Simpson County Schools. This inspection has been conducted by a certified inspector, and the material samples were evaluated by an accredited laboratory. Building materials containing as little as two percent (2%) asbestos or assumed positive have been identified and made a part of an Asbestos Management Plan for the school system.

A complete Asbestos Management Plan for the school district is available at the Central Office or in the principal's office of each school during regular business hours.

You will be notified at least once each year on the status of the Asbestos Management Plan. Should it be necessary, more frequent updates will be issued as a result of an additional inspection, normal surveillance practices, response actions or remodeling work which might disturb building materials which contain asbestos. Every precaution will continue to be utilized in order to protect the well-being of students and employees of the Simpson County Schools.
