DIRECTOR OF STUDENT SERVICES

BOARD REPORT- July 2026

Matthew Haskamp

Custodial Maintenance

- Both LES and DHS are nearing completion of the annual summer cleaning
- Custodial and Maintenance staff have completed many needed projects, including painting, ceiling tile replacement, floor refurbishing, fixture light and plumbing updates, HVAC maintenance, field maintenance, and classroom moves.

Project One

- Siding and Doors TBD
- Stadium skirt and graphics TBD

School Safety

- School leaders will meet with the Police Chief and Fire Chief to review our Emergency Plans.
- We will continue to identify areas of improvement from the KCSS report
- Silco inspections performed

Transportation

- Bus 1 is currently in for engine replacement
- Update training scheduled for 7/31
- We conducted a class for 4 potential sub drivers for the 26-27 school year.
- Discussing potential partnership with TANK to assist with routes and driver shortage

Student Enrollments

- New nonresident students and current students under a contract have been sent a letter welcoming them to Dayton. Tuition for these students will be collected.

Project Status (Optional)

Project	Status	Notes
