RE: Care Solace Partnership and MOU Agreement

This is a request for Board Approval to continue partnering with Care Solace to provide care coordination services for BCPS, promoting community access to mental health care and supporting student well-being and learning. Care Solace is designed to work alongside the school's multi-tiered systems of support (MTSS) to help schools triage and accompany student mental health needs and provide a confidential wraparound resource for staff members and families.

I request that the Board approve the administration of this partnership as an additional layer of intervention to provide mental health support for students. Dinsmore LLC has reviewed this agreement.

Thank you so much for your time.
