**Takeaways to help
Board and Staff**

This event continues to help identify areas or opportunities for the Association. It also often illustrates areas that Kentucky is ahead of its peer states. Thank you for the opportunity to attend and have this professional development resource.

General Commentary

I was asked to present at the Legal Meeting and the focus of my remarks were focused on free speech. I also remarked on the pending US Supreme Court matter regarding Transgender athletes. Ironically, the opinion was issued the very next day.
