

Assistant Commissioner Abby Jackson

Topic

Attendance on Behalf of KHSAA

Attendance for KHSAA

**Meeting_Session
Attended**

I was asked to speak at the Fayette County Public Schools Coaches Summit on behalf of the KHSAA.

**Takeaways to help
Board and Staff**

Rob Catron and I presented two breakout sessions for FCPS middle and high school coaches. Each session included a mix of head and assistant coaches, along with several athletic directors. We discussed annual coaching requirements, KHSAA expectations for coaches, key bylaws, and the purpose behind our policies and requirements.

Mr. Catron also demonstrated how coaches can better utilize Arbiter, highlighting new features and the Arbiter mobile app.

General Commentary

It was a great opportunity to speak directly with coaches and answer their questions. We typically work more closely with Athletic Directors, so it was valuable to hear feedback and perspectives directly from coaches and better understand the issues they face.
