

The background of the slide is a collage of two images. The top-left portion shows a line of yellow school buses, with the number '32' visible on the front of one. The bottom-right portion shows a classroom with blue walls, decorated with colorful balloons and framed pictures. Several white student desks and black chairs are arranged in the foreground.

KBE/EPSTB Research Practice Collaborative Recommendations

Office of Educator Licensure and Effectiveness

Kentucky Department of
E D U C A T I O N

Recommendation #1

Develop a Continuum of Growth and Support for Educators from Preservice to Retirement

Establish a structured statewide system that supports educators at every career stage by integrating mentoring, professional learning, coaching, communities of practice, and teacher leadership—allowing educators to grow, lead, and remain connected to the classroom

Recommendation #2

Develop a Continuum of Support and Growth for School Leaders
Strengthen principal capacity for talent management, working conditions, and instructional leadership.

Low Hanging Fruit

A simple, highly achievable idea that requires minimal effort or resources. It delivers clear value with little risk.

Quick Win

An idea that can be executed rapidly and shows visible results fast. It boosts momentum and confidence while supporting larger goals.

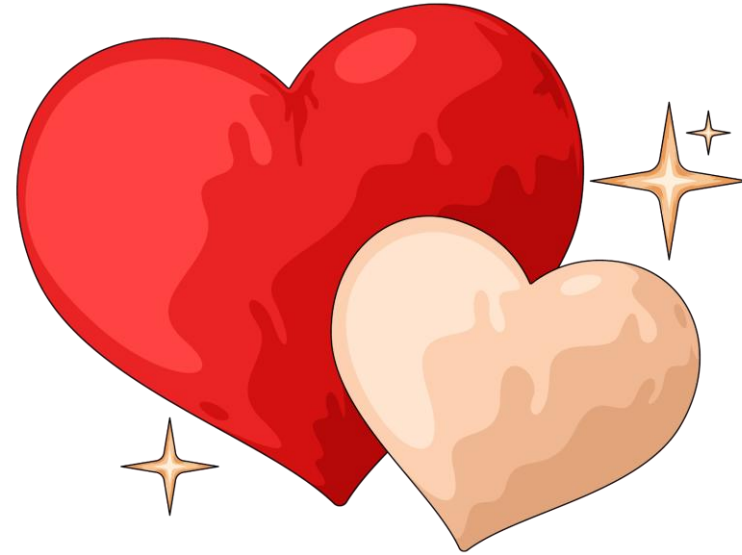

Long Shot

An idea with big potential but low likelihood of success due to major obstacles or uncertainty. It usually requires significant resources, time, or breakthroughs to become viable.

Darling

A favorite idea people feel emotionally attached to, even if it may not be the most practical. It often persists because of enthusiasm rather than feasibility.

New Idea

A fresh concept that hasn't been evaluated or categorized yet. It may need exploration before determining its feasibility or impact.
