Spring Boys Volleyball

**Positive Developments
and Highlights**

The second season of sanctioned boys' volleyball enjoyed approximately 70 teams participating in the regular and postseason play.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

There has been no request to change inflatables to a textured surface, which could be permitted by State Association adoption beginning in 2027.

**Championship
Update/Review**

Attendance for the State First Round was up slightly as then eight teams (same as girls' volleyball postseason) advanced to the State Final Rounds at George Rogers Clark High School. We appreciate the State First Round hosts as well as Superintendent Dustin Howard, COO Brandon Watkins and Athletic Director Terry Yeast for their hospitality.

**Officials
Update/Review**

No issues for Boys' Volleyball with regard to officials.

**Fiscal and Budget
Issues and Review
(attendance, etc.)**

Postseason revenue was approximately the same as last year.

**Noteworthy Changes /
Anticipates Changes**

None at this time.
