Spring Lacrosse

**Positive Developments
and Highlights**

We completed our second year sponsoring boys' and girls' lacrosse, concluding with another successful state championship. Great Crossing High School served as the host site for this year's finals and was an exceptional partner throughout the planning and execution of the event.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

There still hasn't been any growth in the amount of teams participating across the state after year two.

**Championship
Update/Review**

Attendance remained virtually unchanged from the previous year despite periods of inclement weather and the location change. Great Crossing's facilities and centralized location created an exceptional championship environment and enhanced the overall experience for participating teams.
