Fall Soccer

**Positive Developments
and Highlights**

The practice and scrimmage season has started in Soccer and to date, there have been no real issues. The schools/teams are all reminded that the weather is a critical factor to be monitored this time of the year. Safety must be the focus.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

The Soccer Rules Clinic is due up at the end of July and there are a few changes that will be shared through that clinic. These changes are all viewed as positive and player friendly.

**Championship
Update/Review**

We are still currently planning on the Finals again taking place at the Lexington Sporting Stadium and more details will be shared as the school year gets going this Fall.
