Consent Agenda Item (Action Item): Approve Request for Proposal (RFP) for district-wide copier and printing services.

Applicable State or Regulations: In accordance with the Kentucky Model Procurement Code, specifically KRS 45A, projects exceeding the statutory threshold must be publicly advertised and competitively bid.

Fiscal/Budgetary Impact: N/A.

History/Background: Currently our schools solicit vendors individually and the cost for services vary dramatically across our district. If approved we will request proposals for a district-wide copier and printing service and by doing so for the entire district there is the potential for a considerable cost savings for all our schools. This would also simplify and streamline the lease agreement and setup process for copier and printing services going forward.

Recommended Action: Approve request for proposal.
