Re: Parking lot and Roadway

Scotty's Contracting & Stone is pleased to submit the scope and pricing for paving the following location in Dawson Springs.

Scope of Work for paving a parking area.

- **Mill areas around the concrete and edge key where needed.**
 - **Did out and replace an area 18x20 at 4 inches.**
 - **Sweep and clean entire lots and roadway.**
 - **Spray a coat of tack oil on existing asphalt.**
 - **Pave with 2 inches of asphalt surface on the front lot and 3 inches on the other 2.**
- Total area to be paved will be a cost of \$46,400.00**

Considerations/Exclusions:

- Given the fluctuations in petroleum-based products, Scotty's reserves the right to adjust this proposal price (+ or -) at the time of installation to reflect changes in petroleum-based products using the Kentucky Average Price Index (KAPI) as published by the Kentucky Transportation Cabinet.
- Not responsible for field testing of asphalt.
- Not responsible for fixing soft areas.
- Fixing soft areas will be an extra charge.

Thank you for allowing Scotty's Contracting & Stone the opportunity to provide pricing on this project. Please feel free to contact me with any questions or comments you may have.

Regards,

Mark Johnson

Dawson Springs, Kentucky 42408

Date	Type	Quote #	Description	Quote		Advance	
				Amount	Payment	Balance	
6/1/2026		183	Asphalt Paving Project	\$ 43,408.30	\$ -	\$ 43,408.30	

Quote to pave three areas located at the Dawson Springs Independent School. Total area proposed equaled 13,743.6 square feet of surface area. Three areas were identified for asphalt paving repairs and resurfacing.

Area 1: 2,310 square feet requiring 2" of surface mix .38D and milling along the side of the main road.

Area 2: 7,089 square feet requiring 3" of surface mix .38D. Repairing an area 3' x 10' and installing a curb constructed of asphalt along the fence to aid in preventing future damage to the entrance road.

Area 3: 4,524.6 square feet requiring 3" of surface mix .38D .

All material excavated from the site will be transported from said location to a site determined by the contractor. The contractor will assume all responsibilities for excavated material.

No striping was identified for this project.
