We are pleased to report that 2026-2027 subscription costs for KSBA's Policy update and maintenance services are once again remaining flat, while our eMeeting platform subscription and support fees are increasing for only the second time in the last 17 years.

KSBA is excited to announce the rollout of **eMeeting version 2.0** this year, with scheduled improvements to the user and administrator interfaces, cloud-native architecture, and security enhancements. Your eMeeting consultant will reach out to your district with details prior to your scheduled update to version 2.0. This process is short and simple, with minimal disruption to existing services.

Should you wish to discuss your annual service package renewal summarized above or if you wish to inquire about additional support needs, please contact KSBA Director of Policy and eMeeting Services Matt Cooper at matt.cooper@ksba.org or 502-783-0084.
