

Purpose

Lil' Rascals Learning , LLC respectfully requests the approval to establish two afterschool programs called **LRLC @ PLES** and **LRLC @ GEC**, both will be licensed Type I After-School Child Care Program located at Paint Lick Elementary School and Garrard Education Center.

Our goal is to provide a safe, enriching, and dependable after-school program that supports working families while extending the educational experience for students.

Existing Partnership with Garrard County Schools

Lil' Rascals Learning Campus is already a proud partner of Garrard County Schools through our existing after-school program, LRLC (at CDR). This successful partnership has allowed us to build positive relationships with district staff, students, and families while providing a safe, dependable, and enriching after-school environment. We are excited for the opportunity to expand these services to additional locations and continue supporting the needs of Garrard County families.

About Lil' Rascals Learning Campus

Lil' Rascals Learning Campus has proudly served Garrard County families by providing high-quality early childhood education in a safe, nurturing, and educational environment for over 16 years. We are committed to partnering with Garrard County Schools to provide exceptional care for students beyond the regular school day.

Program Details

- **Location:** Paint Lick Elementary School and Garrard Education Center
- **Ages Served:** Pre-K through 5th Grade
- **Hours:** Monday–Friday, 2:45 p.m.–6:00 p.m.
- **Licensing:** Kentucky Type I Child Care License through the Division of Regulated Child Care

Program Activities

- Homework assistance
- STEM and educational enrichment
- Arts and crafts
- Physical activity using the playground and/or gym
- Team-building games
- Character development and social-emotional learning

Safety and Compliance

LRLC @ PLES and LRLC @ GEC will:

- Maintain a Kentucky Type I Child Care License.
- Carry general liability insurance naming the Garrard County Board of Education as an Additional Insured.
- Maintain workers' compensation insurance.
- Ensure all staff complete state and federal background checks.
- Require CPR and First Aid certification for all staff.
- Follow all Kentucky Child Care Regulations and all district policies.

Facility Partnership

We will work closely with the principal and any staff to determine appropriate classroom and activity space while maintaining the integrity and cleanliness of the facility.

Benefits to the District

- Provides affordable after-school care for working families.
- Supports student academic success.
- Increases opportunities for physical activity and enrichment.
- Creates another positive partnership between the district and local businesses.

We appreciate your consideration and look forward to partnering with Garrard County Schools to serve the students and families of Garrard County

Respectfully Submitted,

Crystal Justus
