Superintendent Kyle Estes,

Hawkins Abney, PLLC is honored to submit this Letter of Interest for your consideration as Architect for the upcoming phased renovation projects at the Russellville Independent Schools Middle School and High School campus. We are grateful for the opportunity to continue our relationship with the district and contribute to improvements that will serve students, faculty, and the Russellville community for years to come.

As an architectural firm rooted in Western Kentucky, Hawkins Abney, PLLC is led by founding principals who bring more than 30 years of combined experience across a diverse portfolio of educational, healthcare, commercial, civic, industrial, and residential projects. Our team is committed to providing thoughtful, functional, and cost-effective design solutions while maintaining the highest level of client service throughout every phase of a project.

We appreciate the opportunity we have had to work with Russellville Independent Schools on the High School Entrance Canopy and Culinary Arts Lab projects. Through these efforts, we have developed a strong understanding of the district's facilities, goals, and expectations while building meaningful relationships with district leadership. We value that partnership and would welcome the opportunity to continue serving the district as these important campus renovations move forward.

Our approach is guided by our motto, Design Focused – Service Based. We believe successful projects are built on collaboration, open communication, and a commitment to being responsive to our clients' needs from initial planning through project completion.

Thank you for your time and consideration. We appreciate your consideration and look forward to the opportunity to continue serving your district.

Respectfully,

Jeremiah Hawkins, AIA
Managing Principal

Kyle Abney, Assoc. AIA
Director of Operations

DESIGN FOCUSED. SERVICE BASED.
