RE : Construction Management Services

Dear Mr. Estes:

I am writing to inform you of our interest to provide construction managements services for the phased Renovation Projects at Russellville High / Middle School Campus.

Alliance, located in Glasgow, Kentucky, with offices in Bowling Green & Prestonsburg, has performed over 300 Construction Management projects totaling more than \$2 Billion over the past 50 Years for Kentucky Schools.

Please find more information about Alliance on our website @ www.alliancecorporation.com and on our Facebook page – Alliance Corporation. Or call me at any time on my cell phone @270.404.0674.

We look forward to the possibility of working with the Russellville Independent Board of Education on your upcoming project.

Sincerely,
