

KENTUCKY DEPARTMENT OF EDUCATION

STAFF NOTE

Waiver:

16 KAR 2:020. Request to Waive Recency Requirements for Provisional Occupation-Based Career and Technical Education Certificate for Allison Bryson.

Action Question:

Should the Education Professional Standards Board (EPSB) approve the Office of Career and Technical Education's (OCTE) request to issue Allison Bryson's one-year provisional occupation-based career and technical education certificate?

Applicable Statute or Regulation:

KRS 161.020, KRS 161.028, 16 KAR 2:020

History/Background:

Existing Policy: 16 KAR 2:020 establishes the qualifications for the certification of teachers of occupation-based career and technical education and, in Section 2, sets the requirements for issuance of the one-year provisional certificate. Specifically, Section 2(2)(b) requires candidates have "four (4) years" of experience, including "two (2) years of the occupational experience...within the last five (5) years."

Summary: The OCTE has submitted this waiver request on behalf of Allison Bryson for drafting. The candidate holds a professional certificate for elementary education. Her drafting experience was before her teaching experience. She holds an associate degree in drafting with over twenty (20) years of experience. She also has twenty-two (22) years of teaching experience and was the only applicant for this position. The OCTE is requesting that the EPSB waive the recency requirement and issue the one-year provisional certificate.
