Applicable State Regulations:

KRS 162.90 Powers and duties of the local Board.

Fiscal/Budgetary Impact:

The positions will be paid from ESS Funds. The positions will be for no more than one hundred and twenty days during the school year and will be staffed as needed. The positions will be staffed by a certified teacher taken from the district list of available substitutes and every effort will be made to use the same individual on a consistent basis to ensure program continuity. Job duties and salaries shall be those currently adopted by the Floyd County Board of Education.

History/Background:

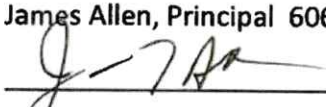

It is anticipated that ESS tutors would prove to be very successful at Prestonsburg Elementary School. The basic improvement goals will be in the areas of study skills, individual and group behavior standards, and student attendance. This will also close the gap in achievement.
