

August 2026 Board Report - Elementary School

Academics/Instruction

- Kindergarten Camp was a wonderful success! Our Kindergarten team welcomed students with excitement and enthusiasm as they began building relationships and preparing for a successful school year. It was a great way to start the year and see our youngest learners excited to be at school.
- Heggerty Writing materials arrived this week! We are excited to begin implementing this resource in grades K–5. This will be a valuable addition to our literacy instruction and will provide teachers with additional support in developing strong student writers.

Staff Recognition

- BCES is incredibly fortunate to have such a dedicated group of teachers and staff. Their hard work and preparation have truly set the stage for a successful start to the school year. The building has been filled with laughter, meaningful conversations, collaboration, and smiling faces as everyone worked together to prepare for our students and families. There is something special about seeing the halls come alive again after a quiet summer, and I am incredibly proud of the work our staff has done to make that possible.

Volunteer Recognition

- BCES SBDM is grateful to welcome Dayzaugh Graves as our Parent Minority Representative for the 2026–2027 school year. We appreciate her willingness to serve and look forward to the perspective and partnership she will bring to our SBDM team.

Finances

- All BCES accounts are currently in good standing. We continue to monitor expenditures carefully and remain committed to making thoughtful decisions that prioritize student learning and support the needs of our staff and school.
