Navigating with Purpose: A Pathway to the Future

Menifee Central

Instructional Spotlight

Menifee Central hosted a two-day Kindergarten Camp on July 29-30, welcoming approximately 35 incoming kindergarten students each day. The camp provided students with an opportunity to become familiar with their new school while helping families prepare for a successful start to the school year.

During the event, Mrs. Kameron Spencer led engaging parent session that focused on practical strategies families can use to support their child's learning and development throughout the school year. Through the use of Title I funds, Menifee Central purchased educational resources to strengthen the partnership between home and school, ensuring that families and teachers can work collaboratively to meet the needs of every student.

Continuous Improvement

Prior to the start of the school year, the Meniffee Central staff participated in a variety of high-quality professional learning opportunities designed to strengthen instructional practices and ensure students receive the best education possible. These collaborative sessions focused on building staff capacity, establishing consistent expectations, and preparing for a successful school year.

Professional development topics included:

- Beginning-of-the-Year Staff Trainings
- Unit Internalization and Curriculum Pacing
- Leader in Me Core 2 Training
- Deeper Learning Sessions Led by Meniffee Central Staff
- Expectations and a Path to a Rigorous and Productive School Year

These learning opportunities equipped teachers and staff with the knowledge, strategies, and resources needed to create engaging learning environments and support the academic, social, and emotional success of every student.

Family Engagement Event

Menifee Central hosted the first Family Engagement Event of the 2026-2027 school year on August 11. Families joined us for our annual Back to School Bash - Hollywood Style as we celebrated the start of a new school year and welcomed students, families, and community members back to campus.

The event provided an opportunity for families to connect with staff, enjoy fun activities, and build excitement for the year ahead. We are grateful for the continued support of our families and community partners as we work together to create a strong foundation for student success.
