

Daycare Payment Policy

Payment for services is due every Wednesday for the prior week. Invoices go out on Monday and payment is due on Wednesday. If you are ten (10) days late, your child/children will be at risk losing their spot. If you are thirty (30) days late, then your child/children will automatically lose their spot. Your child/children will not be able to attend daycare until the balance is paid in full and provided there is still a spot/spots available. Then all payments will be due every Monday for that week's services or your child/children will lose their spot permanently.
