August 2026

INSTRUCTION

Academic Information

- We had a great week kicking off the school year. Opening activities included:
 - Dual Credit Orientation and Device Handout.
 - Professional Development days with our staff including our Ed Camp Day, and sessions on: Curriculum work, Student Engagement, Our building culture, and Character Strong.
 - Back to School Bash
 - Open House and Class Meetings to set the tone for the school year for both students and parents.
 - Our students at the Campbell County Area Technology Center started school on August 12th.

Celebrations

- Thank you to our Maintenance Team (Rick Stamm and Derek Leedey) and our Custodian (Millie Pyke) for all of their hard work over the summer to make sure our building is ready to go for the school year.
- Thanks to the Technology team, we now have new interactive displays that have been installed for our teachers to use and new key card door locks on all doors in the building.
- Friday Night Football is back! We kickoff the season on Friday, August 21st vs. Trimble County at 7:30pm.

SBDM / COMMITTEES
