

WELCOME

At Tyler Technologies, we value our clients and the relationship we have built together. We recognize the importance of helping you to maximize your investment in our products and providing you with an opportunity to network with your peers. With this in mind, we invite you to join us in enchanting Nashville, Tennessee for **Connect 2011: An Educational and Networking Conference** for Tyler clients.

For three stimulating days you'll have the opportunity to attend informative training sessions, demonstrations and workshops with users of Tyler's Eagle, Eden, iasWorld, Incode, Munis, Orion, and Public Safety products. Our seasoned staff will educate you about functionality—both new and existing tips and tricks you may not know. The more than 600 classes—ranging from novice to advanced—ensure that there is something for every user. By attending our conference, you'll have the added benefit of meeting with other Tyler clients—your public sector peers.

We hope you'll Connect with us to not only expand your knowledge of our products and services so you can better serve your communities, but also so you can discover how Tyler's products can empower you to automate your enterprise, manage your information and enhance workflow so that you can improve your efficiency and effectiveness.

There's infinite value in gathering with Tyler's professionals and your fellow Tyler users. Join us for our annual journey to share, grow and learn together. We look forward to seeing you in Nashville!
