**Background/Rationale:** The Leader in Me (LiM) curriculum offers Millcreek Elementary students sequential and developmentally appropriate lessons in leadership skills centered around the 7 Habits for Effective Leaders. Students formally engage with this content during our schoolwide morning meeting, homeroom morning meeting, and monthly Lion Pride Group connections. We recognize that when students see themselves as highly competent leaders through goal setting, identifying lead measures, and taking an active role in shaping their environment, they become agents of their own futures. The LiM 7 Leadership Habits are part of a larger organizational framework that includes 3 core components of Environment, Culture, and Academics and five foundational paradigms. The LeaderinMe Framework supports a systematic approach to achieve measurable results and student success.
