WITNESSETH:

WHEREAS, the Board desires to procure the particular services of Contractor, which are more fully defined below; and

WHEREAS, Contractor has held itself out to be competent and capable of performing the services contracted for herein;

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

The content of each session shall be developed in collaboration with participating school leadership to address identified needs and support continuous improvement in instructional practices.

The Contractor agrees that all services, materials, and activities provided under this Agreement shall be secular, neutral, non-ideological, and non-religious in nature and shall not promote, endorse, or require participation in any religious doctrine, worship, or instruction. All services must comply with applicable federal requirements governing equitable services for private school participants under Title II, Part A of the Elementary and Secondary Education Act (ESEA), as amended, and all related state and local regulations.

The Contractor further acknowledges that any services funded through federal equitable services shall be supplemental and shall remain under the control and supervision of the Jefferson County Board of Education to ensure compliance with all federal program requirements.

The Contractor shall retain ownership of all pre-existing intellectual property, including but not limited to presentation materials, handouts, and program books used in conjunction with the services provided. The Board and participating schools may not reproduce materials not designated as reproducible without the Contractor’s express written permission. ARTICLE V

Performance of Services by Contractor

The Services shall be performed by Contractor, and in no event shall Contractor subcontract with any other person to aid in the completion of the Services without the prior written approval of the Contract Administrator defined below.

Contractor shall appoint one person who shall be responsible for reporting to the Board on all Services performed under the terms of this Contract and who shall be available for consultation with the Contract Administrator.

Contractor shall provide all equipment, materials and supplies necessary for the performance of the Services.

Contractor shall at all times during the term of this Contract comply with all applicable laws, regulations, rules and policies. Contractor shall obtain and keep in force all licenses, permits and certificates necessary for the performance of the Services.

Contractor agrees to hold harmless, indemnify, and defend the Board and its members, agents, and employees from any and all claims or losses accruing or resulting from injury, damage, or death of any person, firm, or corporation, including the Contractor himself, in connection with the performance of this Contract. Contractor also agrees to hold harmless, indemnify, and defend the Board and its members, agents, and employees from any and all claims or losses incurred by any supplier, contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Contract. This provision survives termination of this Contract.

Unless waived in writing by the Chief Finance Officer, Contractor shall maintain during the term of this Contract policies of primary insurance covering the following risks and in at least the following amounts: commercial general liability, including bodily injury, property damage, personal injury, products and completed operations, and contractual, \$1,000,000; and automobile liability, \$1,000,000. Contractor shall furnish to the Contract Administrator certificates of insurance evidencing this coverage and naming the Board as an additional insured. Additionally, Contractor shall maintain workers compensation coverage with limits required by law; and professional errors and omissions coverage with minimum limits of \$1,000,000. Contractor shall furnish certificates of insurance evidencing this coverage to the Contract Administrator.

ARTICLE VI

Equal Opportunity

During the performance of this Contract, Contractor agrees that Contractor shall not discriminate against any employee, applicant or subcontractor because of race, color, national origin, age, religion, marital or parental status, political affiliations or beliefs, sex, sexual orientation, gender identity, gender expression, veteran status, genetic information, disability, or limitations related to pregnancy, childbirth, or related medical conditions.

ARTICLE VII
Prohibition of Conflicts of Interest

It shall be a breach of this Contract for Contractor to commit any act which is a violation of the provisions of Article XI of the Regulations entitled “Ethics and Standards of Conduct,” or to assist or participate in or knowingly benefit from any act by any employee of the Board which is a violation of such provisions.

ARTICLE VIII
Changes

The Board and Contractor may at any time, by mutual agreement set forth in a written addendum, make changes in the definition of the Services; the scope of the Services; and the Contract Amount. The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

ARTICLE IX
Termination for Convenience of the Board

The Board may terminate this Contract in whole or in part at any time by giving written notice to Contractor of such termination and specifying the effective date thereof, at least thirty (30) days before the specified effective date. The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X
Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI
Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII
Contractor’s Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter “Works”) produced or delivered by Contractor under this Contract.

Contractor agrees that the Works are “works for hire” and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

ARTICLE XIII Contract Administrator

The Board hereby appoints Elaine Abanatha as Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. As necessary, the Contract Administrator may appoint a successor to serve as Contract Administrator through written notice to the Contractor and the Chief Finance Officer. If at any time, the Contract Administrator is no longer in the employment of the Board, the Board’s Chief Financial Officer shall appoint a new Contract Administrator and provide notice of that appointment to Contractor.

ARTICLE XIV Right to Audit

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor’s place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

- B. Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated in writing by one Party to the other. - D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.
- E. No delay or omission by either Party in exercising any right under this Contract shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Contract.

If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.
- G. If this Contract requires Contractor and/or any employees of Contractor access to school grounds on a regularly scheduled and continuing basis for the purpose of providing services directly to a student or students, all individuals performing such services under this Contract are required to submit per KRS 160.380 to a national and state criminal history background check by the Department of Kentucky State Police and the Federal Bureau of Investigation and have a letter, provided by the individual, from the Cabinet for Health and Family Services stating no administrative findings of child abuse or neglect found through a background check of child abuse and neglect records maintained by the Cabinet for Health and Family Services.
- H. Contractor shall be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341 and 342 that apply to the Contractor or subcontractor for the duration of this Contract and shall reveal any final determination of a violation by the Contractor or subcontractor of the preceding KRS Chapters.
