Update/Review**

We have made initial contact with the event management at the Horse Park and are quickly planning the 2026 state meet for October 31. Several new staff members at the Horse Park, so more help was needed for course management and upkeep. In an effort to assist the parking ingress/egress, we will once again be starting the day with Class 3A and end the day with 1A. Solicitation for workers and officials will begin later this month.
