

DUAL CREDIT

Memorandum of Agreement

Between

Campbellsville University

And

Jefferson County Public Schools

The purpose of this agreement is to set forth the terms and conditions required to award credit for Campbellsville University dual credit courses successfully completed by high school students attending Jefferson County Public Schools.

This agreement allows students to earn college credit for comparable high school coursework. Upon enrollment at Campbellsville University, a student who has successfully completed one or more dual credit courses will have the option of completing his/her college program in less time. This agreement supersedes any previous dual credit agreement established between Campbellsville University and Jefferson County Public Schools in the same content area. This agreement is exclusive to Jefferson County Public Schools and Campbellsville University, and no assurance is given that courses awarded through this agreement will transfer to any other postsecondary institution.

Authorized dual credit courses and faculty for the 2026-2027 academic year in the content area named above are:

- All General Education courses approved through the KHEAA Dual Credit Scholarship.
- Other courses deemed allowable by Jefferson County Public Schools and CU, some of which may be eligible for the KHEAA Work Ready Dual Credit Scholarship.

Campbellsville University is listed as a partnering school in the KHEAA-offered Dual Credit Scholarship program for the Academic Year 2026-2027. We are at the agreed tuition rate of 50% of the KCTCS credit hour rate, which is set by KHEAA and state budget allocations. Students who have previously exhausted their scholarship through another offering will be responsible for the cost of these courses should they decide to enroll with Campbellsville University. Students are also responsible for any books or materials used in the course as demonstrated by the faculty member.

Financial responsibility for unsuccessful completion of either course (W/U) will remain with the student. If a student drops this course, it must occur by October 1 for the fall term and March 1 for the spring term. Grading procedures will be reflected in the course syllabus provided by the instructor of the specific courses taken by Jefferson County Public School students.

Campbellsville University will pay teachers a stipend specifically for work completed outside of their normal school day hours. Compensation for dual credit teachers will be based on the following additional duties:

- Dual Credit Summer Training
- Academic Breakout Training
- LMS: Moodle, TigerNet, and WorkDay training and familiarizing themselves with CU grading practices and additional CU software/programs
- Assist in Dual Credit Scholarship cross-referencing
- Develop course syllabus for each class being taught
- Align curriculum to meet University standards along with new textbook material
- Verify rosters and enrollment of Campbellsville University students in their respective courses
- Submission of artifacts to Campbellsville University

As Campbellsville University maintains control over dual credit courses and digital resources for dual credit courses, Campbellsville University is responsible for Jefferson County Public Schools student information enrolled in dual credit courses while using Campbellsville University's chosen digital resource vendor(s), including maintaining the security of that information; to the extent permitted by Kentucky law, and without waiving any legal defenses, Campbellsville University shall indemnify and defend Jefferson County Public Schools from any claims related to unauthorized access to Jefferson County Public Schools student information through Campbellsville University's system or through any digital resource vendor or software provider required for any Campbellsville University courses.

Per Federal guidelines, students with an Individual Education Plan will receive documented services when taking Dual Credit courses on the high school campus with a high school instructor. Students taking courses at Campbellsville University will be connected with the college Accessibility Center.

This Memorandum of Agreement is effective as of the date of execution and will be reviewed annually. The Parties have an annual right of termination, for any reason, with written notice, which may be exercised with written notice provided to the other party by June 30 of that year.

Dr. Brian Yearwood
Superintendent
Jefferson County Public Schools
