2. RFP 29-26 Reconditioning of Middle School and High School Football Helmets

BACKGROUND AND RATIONALE:

Football Helmets used by Middle Schools and High Schools must be reconditioned and recertified to make sure they meet the strict safety guidelines issued for football equipment. This helps with student safety and liabilities for student injuries that may be caused by faulty equipment. This RFP is done to determine an approved vendor that has the procedures, insurance and prices to provide the best value to the district to perform these services. It is recommended to award the top two scores because Certo Sports can recondition a specific helmet that Riddell is not able to and Riddell has a specific helmet that Certo isn't able to recondition. The RFP includes the option to renew on an annual basis upon Board approval.
