Recommendation/Motion: A motion is in order to approve a Revised BG1 for the conveyance of this property to the adjoining homeowner. This is an administrative approval in compliance with 702 KAR 4:090 §3, and there is no change in the BG1 budget.

Background/Rationale: The land acquired at 988 Mason Headley (formerly 2160 Versailles Road) borders properties along The Lane (1000, 1016, 1020, 1024, 1028, 1032, 1036, 1040, 1048, 1052, and 1083) and Port Royal Drive (1505). This roadway, which is private, is half-owned by the Board of Education, with the other half owned by the homeowners who use it to access their residences. The owner of 1044 The Lane declined to participate in this transaction, so the portion of the road in front of this residence, owned by the Board, is being transferred to the adjoining neighbor. This roadway is not needed by the Board and is surplus to its needs. The Board seeks to transfer its interest in the roadway to the homeowners, relinquish its rights to use it for ingress and egress, and to forgo responsibility for legal, operational, safety, and financial issues related to maintenance and upkeep, resurfacing, snow removal, drainage, and accidents. In consideration of the valuable consideration of the transfer of 0.022 acres (975 SF) of land adjacent to 1016 The Lane and appraised at $2,700.00, the Board is granted full release from the purchasers of any right, title, and interest, if any, they may have to use for ingress or egress purposes or otherwise that portion of an unnamed private lane running along the western boundary line of its property starting at the common boundary line with 1505 Port Royal Drive and running to Versailles Road. This portion of the unnamed private lane occupies 0.419 acres, half of which is on Board property. The Board also agrees by means of a restrictive covenant to maintain a privacy border along the portion of its property adjoining The Lane, consisting of existing and new vegetation.
