Positive Developments and Highlights	Small change in the hip hop number separator did balance the small and large divisions better.
Issues of Concern (legal, playing Rules, fiscal management, etc.)	Participation is down from 2025, with 127 squads entering this year vs 137 last season. To note, the Pom division dropped below 40 squads for the first time in quite a while. Not sure the reasoning behind a few less squads, but will reach out to membership to pinpoint reasons.
Championship Update/Review	Regional Competitions will take place on November 7 and November 14 throughout the state. Upon completion of the November 14th regionals, a state time schedule will be developed for those who advance. The KHSAA State Dance Competition will take place at George Rogers Clark HS in Winchester on December 13.
Officials Update/Review	Official Partnership with Varsity provided judging panels for the regionals once again.
