Positive Developments and Highlights	Following the Board's adoption of the shot clock guidelines, the information was sent out to the membership including the officials and assigners. This was also shared and discussed when the staff met with the Basketball Assigners as we move to adoption in 27-28. Those that are experimenting with it this season are being advised of the guidelines to assist with the adoption. In addition, Commissioner Tackett and I conducted an in-person rules clinic as part of the KBCA Conference with about 1/2 of the coaches in attendance. The Basketball Rules clinic is scheduled to be published and available for coaches and officials on Nov. 16.
Issues of Concern (legal, playing Rules, fiscal management, etc.)	Bench decorum and sportsmanship remain points of emphasis within the rules clinic.
