Positive Developments and Highlights	Trackwrestling has announced that starting with the 2027-2028 season, its OPC, statistics, and event management platforms (the TW Bundle) will be completely free of charge for its state association partners and their member schools. Every team in the state association will receive: Free access to the OPC weight management system; Free access to the Trackwrestling statistics program; Unlimited free use of the Trackwrestling event management software for sanctioned in-season tournaments, dual or individual events, postseason qualifiers, and State Championships; Free NWCA membership, including technique libraries, leadership courses, coaching tools, and awards programs.
Issues of Concern (legal, playing Rules, fiscal management, etc.)	Member schools received access to the 2026-27 Boys' OPC through Trackwrestling on October 9. Logins for the Girls' OPC will be distributed on November 17th after Trackwrestling has completed its mass copy of data from the boys' season.
Championship Update/Review	2027 Postseason Schedule: February 12-13 - Girls' Region Tournaments February 19-20 - Boys' Region Tournaments February 25-27 - State Championships at Alltech Arena
