	General Counsel Chad Collins
Topic	Attendance on Behalf of KHSAA
Attendance for KHSAA	
Meeting_Session Attended	NFHS Sports Summit
Takeaways to help Board and Staff	I attended the first of its kind in recent history NFHS Sports Summit this past October 6-7 in Indianapolis. Some of the key topics included a review of the rules writing process as well as specific sports sessions.
General Commentary	I attended a majority of the sessions that covered topics such as the trickle down impact of NCAA rules (Jill Bodensteiner, Horizon League Commissioner), specific sports clinics (in addition to the previous rules interpretations this Summer), as well as a presentation and motivational presentation by an NCAA Baseball official on the critical impact and meaning of what we as State Associations do for kids.
