	Associate Commissioner Butch Cope
Topic	Attendance on Behalf of KHSAA
Attendance for KHSAA	
Meeting_Session Attended	NFHS Sports Summit
Takeaways to help Board and Staff	Attended this meeting along with Commissioner Tackett, General Counsel Collins, and Assistant Commissioner Bridenbaugh. As the rules writing review process is being evaluated, NFHS staff discussed the current process and what the future may hold.
General Commentary	There were also breakout sessions for the various sports. This was in addition to the traditional rules interps meeting and allowed for further discussion on issues involved in each sport. I attended Volleyball, Basketball, Officiating Services and Baseball. There was also a great presentation from Jill Bodensteiner, Commissioner of the Horizon League, on the trickle down effects in the NCAA could and have impacted high school sports.
