## STATE STLP CHAMPIONSHIP

Every day, students across Kentucky are utilizing digital tools to construct knowledge, collaborate, and communicate what they're learning. These innovative designers are producing digital artifacts to tell their stories and to demonstrate what skills they are developing. The Kentucky Department of Education created STLP (Student Technology and Leadership Program) as a means for students to design, make, connect and

learn through technology utilization and creation of original digital content. Each year, STLP hosts a state event at Rupp Arena in Lexington. This provides students the opportunity to share the year-long projects they have worked on, get recognition for their digital products submitted virtually, compete in live competitions, and get the opportunity to explore some of the latest and greatest technology in education. Several OCS students placed 1st, 2nd, or 3rd at this year's STLP State Championship.

### IGNITE PASSION

The Ignite Passion Award recognizes individuals or groups that have demonstrated exceptional commitment and efforts in fostering passion and enthusiasm within Oldham County Schools. Recipients of the Ignite Passion Award are not merely achievers; they are catalysts for positive change, transforming the atmosphere and culture within their school or within the school district. These individuals or groups possess a unique ability to ignite the flames of inspiration within students, staff, families, or the community, encouraging others to pursue excellence and embrace their own passions.

#### NOMS – Marti Wilkins

North Oldham Middle School is honored to nominate Ms. Marti Wilkins for the Ignite Passion Award. Ms. Wilkins is the embodiment of what it means to be a passionate educator. With an outstanding 32-year career in education, Marti has dedicated her life to helping young people grow into confident, healthy, and resilient individuals. Her teaching career began at St. Patrick, St. Edward, and Anchorage Independent Schools, where she built a strong foundation rooted in compassion, connection, and excellence. For the past 22 years, she has proudly served as the Physical Education teacher at North Oldham Middle School, becoming a cornerstone of the school and a treasured mentor to students and staff alike. Marti's reach extends far beyond the gym walls. Through her leadership as a tennis and basketball coach, she has built lifelong relationships with students — helping them discover their strengths, overcome challenges, and believe in themselves. Her athletes are not only taught the fundamentals of the game but also the value of teamwork, perseverance, and sportsmanship. Her calm, steady presence brings out the best in students on and off the court. While Marti is humble in nature and would never seek recognition for herself, the impact she has made is widely known and appreciated by the NOMS community. The influence she's had on hundreds — if not thousands — of Mustangs over the years cannot be overstated. Whether it's the encouragement she offers a student trying something new, the support she brings to our school culture, or the example she sets through her kindness and consistency, Marti changes lives every day, often without realizing it. As she steps into retirement after this school year, she does not fully see the depth of her legacy — but we do. We see it in the former students who return just to visit her, in the notes of gratitude from parents who know she helped shape their child's confidence, and in the admiration from colleagues who look to her as a model of servant leadership. Her presence has created a ripple effect across generations of Mustangs, each carrying forward a bit of the passion she has so generously shared. Ms. Marti Wilkins ignites passion in every space she enters — not through grand gestures, but through years of steady, devoted, and joyful service to others. She lives out the values we hope to instill in every student: compassion, perseverance, and empathy. It is with deep

gratitude and pride that we nominate her for the Ignite Passion Award. She is a shining light in our school, and her legacy is woven into the very fabric of what makes North Oldham Middle School #PositivelyNORTH.

### **Kenwood Station – Jessica Holmes**

Jessica Holmes has been chosen for the Ignite Passion Award because of her exceptional dedication to student growth, innovation, and the school community. She has transformed the Kenwood Station Elementary library into a dynamic space for creativity and critical thinking through initiatives like Makerspace, Birthday Book Club, and the new reading spaces and displays for student learning. Beyond her core responsibilities, Jessica leads programs such as STLP, Girls Who Code, Battle of the Books, and the Library Advisory Council, while also playing a vital role in the success of the spring musical, Willy Wonka Jr. Her work with Primary Talent Pool (PTP) students has strengthened our youngest learners to present their ideas in meaningful settings confidently. Her tireless efforts, including state-level recognition in STLP—demonstrate a deep commitment to providing opportunities that foster leadership, literacy, and technological skills. Jessica's energy, vision, and constant support for students make her a truly inspiring educator and a deserving recipient of this award. She is truly igniting passion in the staff and students at Kenwood Station Elementary.
