Discussion:

9.1. Minds in Motion Summer Enrichment

Discussion:

The Minds in Motion enrichment will be held at SES. There were not enough students for each school to host their own. We have several teachers that will be teaching at various times this summer. They will also be purchasing materials to use at the camp, which they will be able to bring back to their classrooms. We need to continue to advertise to try to get more of our students to attend.

9.2. Social Studies Curriculum

Discussion:

Teachers have been reviewing a couple of social studies programs. The consensus of the teachers is to adopt the TCI program. One main reason teachers gave for this program is because how complete it is and how it is laid out. Christy Taulbee had requested this program a couple of years ago when it was called History Alive. The teachers thought the other program would be a good supplemental program, but not a good program to do the core teaching with.

Motion Passed: Adoption of the TCI Social Studies program passed with a motion by Mary Kay Caudill.
