D. Good News Report

We have met our goal for Mumkins!

We have scheduled a dunk tank for the principal punishment.

Top class will receive an ice cream party.

We will also schedule a silly string event for those who earned it.

All panel displays have been installed. Training will be provided in the future.

Lynda Neltner, 5th grade teacher, is being trained this week for Kickboard, our behavior program to provide GLE and Reiley with Training Friday afternoon.

Took some time to discuss Kickboard a little more in depth. Similar feel as Dojo.

Car rider changes are going well currently we are averaging 3:30 to filter all students through the car rider line. I am thrilled with this as it provides all staff the opportunity to leave on time, especially, our kindergarten para professionals. It also provides us a check and acts as a sign out for students being picked up and a check if there is a concern with bus transportation.

Discussed the pick up line changes and why they were done.

Talked about the Newsletter.
