Zoneton Middle School would like to expand from offering Summit only to 6th graders to the whole school. Bullitt Lick Middle School applied and has been accepted to implement the Summit Learning Platform by August 1, 2018. Additional details were provided.

9. Kentucky State Fair Board Lease Agreement for Freedom Hall

Despite efforts to reserve and coordinate graduation plans well in advance, the number of days added to the calendar greatly limited options for the venue this year. Broadbent Arena is not available on Saturday, June 9th, due to an archery tournament. Due to the possibility of that event finishing late into the evening, there would not be sufficient time for the services necessary to ready the area for another event on Sunday. Freedom Hall was the next available choice of venues that supplied adequate space for graduates' families and friends. This venue came at a more expensive cost of \$12,000 due to the larger seating capacity. In order to keep the ceremonies scheduled relatively close to the last day of school, this option prevented postponing graduation exercises to the following weekend.

10. Walgreens Pharmacy - Hepatitis A Vaccinations

The district has an opportunity to work with Walgreens Pharmacy to provide Hepatitis A vaccinations to Bullitt County Public School employees. Doing so now will allow the second (booster) shot during the same month as the flu vaccination program. A clinic will be held after hours for school employees and an additional clinic will be offered for the transportation office following morning bus routes. Eric Farris has reviewed the Certificate of Liability and Immunization Service Agreement.

The Kentucky Center for School Safety (KCSS) would like to conduct a survey to students regarding School Resource Officers (SRO). Abolishment of SFS Program Assistant Position

Director of School Food Services Angela Voyles requests abolishment of the 196-day Program Assistant position beginning with the 2018-2019 school year. Ms. Voyles feels that the position is no longer necessary and the funds used to pay the salary of this position can be better spent more directly serving our students. Removal of this position will not hinder the efficiency or operations of the SFS central office as most responsibilities will transfer to the Director of School Food Service. The employee currently holding the 196-day Program Assistant position will be transferred to a secretary/bookkeeper position for which she is qualified.

- 2018-138- Motion made by Debby Atherton, seconded by Darrell Coleman, to approve the request to abolish the 196-day Program Assistant position in the SFS office contingent on the secretarial position being available to the current SFS employee. Mrs. Wooley verified there is/will be a vacant position at PGES. All members voted YES.

**ADJOURNMENT**

- 2018-139- Motion made by Darrell Coleman, seconded by Diane Thompson to adjourn at 6:40 p.m. All members voted YES.
