OMES C.O.#1 - Concrete for Electrical Lines

Presented was Change Order #1 for the New Old Mill Construction Project, in the amount of \$3,373.15, to cover the primary electric lines with concrete underground from Golden Wing Road to the transformer at the loading dock. Although Salt River Electric does not require the lines to be encased in concrete, due to safety reasons, the Bullitt County Maintenance Department asked for this change as there will be 7,200 volts going through these primary lines. This Change Order was

approved by the Superintendent per the Board's authorization on May 23, 2016 to keep the project moving without delay and the amount being under \$7,500.

Contract - Photographer - NBHS Prom

The North Bullitt High School Prom Committee requested permission to revise their plans for the photographer at prom this year. Due to a timing conflict with the original photographer, the photographer will be unable to provide services for prom on April 24, 2021. NBHS requested permission to allow MMH Media (Madeline Grosh) to provide photography services this year for prom. Eric Farris reviewed the service agreement provided.

ESSER II and ESSER II State Set Aside Assurances

Presented were assurances for ESSER II and ESSER II State Set Aside funding. The purpose of these assurances ensures that the district operates consistently with the requirements of Section 442 of the General Education Provisions Act (GEPA).
