Discussion:

The council looked at KPREP data and discussed:

1. 8% behind state average in math
2. Ahead in reading
3. On demand a head

4. 20% in Science jumped from 13%
5. Social Studies ahead

## **8.2. Student achievement**

Discussion:

Council discussed that students should have 3 data points from progress monitoring to determine who is moving through Tiers and who is not moving. Then the teachers need to ask themselves what they can do to assist these students to make sure they are receiving everything they need to succeed.

## **9. Curriculum Update**

Discussion:

Mr. Fugate discussed with the council that the district may be getting the Amplify program to use with science. He discussed that if the district bought these materials, that would over \$600,000 spent on reading, math, and science programs/materials and teachers need to make sure they are being used with fidelity.

## **10. Behavior Data**

Discussion:
