Reviewed scores

Continue with what we did last year, address kids with IEPs, reading assessments, focus on kids who are economically disadvantaged. Tutor starts tomorrow. Discussed how many kids at Reiley fall into the free and reduced lunch category.

As a result of test scores, we are having monthly faculty meetings to spur thinking and conversations to continue with success.

C. District Assessments

Fall MAP data was shared with council.

Due to the timing is we should see some good growth between the last MAP test and the next one.

III. Budget Report

A. MUNIS Budget Report

SBDM budgets were reviewed and discussed with SBDM.

Touched on the extra funds.

B. TITLE I Budget Report

Activity budgets discussed and reviewed

IV. Policy Review

2nd reading for changes to By-Law change for location of SBDM meetings.

Discussed Schoology. Teachers are learning the program. We will soon need to roll out to parents. Need to look at communication - next year it will be the main communication en lieu of Dojo (for communication purposes).

Discussed apps and whether or not they are efficient, what will stay and go, how it will affect the students, and what will involve parents.

Behavior will not be associated with Schoology, Dojo will still be utilized for that purpose.

Changes to consider - monthly newsletters, removing Google Classroom and Class Webpage... Include Schoology when implemented. Facebook/social media.

Discussed NTI and what that would entail.

Talked about snow days and when NTI is required.

Have NTI policy available to teachers/parents. Discussed internet access for families.

V. New Business

Title I budget was reviewed

KY Read to Succeed act.

Engage parents and get them to help with their kids on reading. Host a reading night with teachers Jan, Feb, Mar - to give parents ideas to help them with more teaching concepts other than reading/sight words/etc.

Discussed attendance at planned meetings like above. Reiley's attendance has been great.
