

Facility Committee Meeting minutes from 12/18/18

Welcome and greetings by Diana Porter.

Dr. Pollio started with comments about the last round of new schools and renovations, and how those changes have helped the community.

Dr. Raisor discussed :

- Alternative school recommendations
- Newly constructed Elementary Schools
- Permanent home for W.E.B. DuBois Academy
- Additional resides Middle School
- Renovation to Academies @ Shawnee - 3rd floor

Dr. Raisor requested the committee and community members take a few minutes to write down their likes, concerns, and questions. Dr. Pollio then went around the room so everyone had the opportunity to speak about what they had wrote.

Next Actions
