

## **Board Facilities Committee Meeting**

**Minutes of January 30, 2019**

Welcome and greetings by Diana Porter.

Dr. Pollio started with comments about the last round of new schools and renovations, and how those changes have helped the community.

Dr. Raisor discussed:

- Alternative Schools
- New Elementary Schools
- Flagship Renovations
- Permanent location for W.E.B Dubois Academy
- New Middle School

Dr. Raisor requested the committee and community members take a few minutes to write down their likes, concerns, and questions. Dr. Pollio then went around the room so everyone had the opportunity to speak about what they had wrote.

### Next Actions

- Facilities Work Session on February 26, 2019
- Board Approval

Meeting was adjourned ~ 5:30pm
