Agenda	Notes
<b>Welcome &amp; introduction of new attendees</b>	Dr. Anderson briefly introduced new participants from DEP (Dwan Williams and Bryan Smith), as well as Suzanne Wright, Executive Administrator-Project Management who will be assisting community partners in engaging community support and feedback with the handbook. Dr. Anderson reviewed norms that were in place as well as those that were provided by the group.
<b>Discussion and Breakout Topics for this evening:</b>	Dr. Anderson again reviewed the definition of large group chunking in the SSBIH meeting. Dr. Anderson then quickly discussed the Design team work and relevance. Norms were then reviewed. Dr. Anderson then split the committee into groups based on previous meetings activity to share feedback from subcommittees. Groups then shared out subcommittee feedback from the Dot pages.

	Dr. Anderson then introduced the second breakout topic, review of Behavior Intervention and Consequence Definitions and Behavior Code Definitions. Groups were asked to chunk the reading, and take the information to their subcommittee for homework. Groups had 10 minutes to review and discuss, then groups reported out recommendations.
<b>Review Feedback/Homework from 12.5.22</b>	Committee members reviewed subcommittee feedback utilizing the following lens: <ul style="list-style-type: none"> <li>• What is the rationale for the change attempting to address?</li> <li>• Is this research based?</li> <li>• Is this relevant to the current review section?</li> </ul>
<b>Questions:</b>	Notes: None
<b>Homework for 1/23/2023:</b>	Committee members asked to: <ul style="list-style-type: none"> <li>• Review SSBIH pgs 24-25 and 29-34 with subcommittees.</li> <li>• Determine if any of the Event Types or Resolutions lack relevance, seem outdated, or might need to be modified for other reasons.</li> <li>• Consider if any existing codes need additional or re-definition language.</li> </ul>
