Agenda	Notes
Welcome & introduction of new attendees	Dr. Anderson welcomed all members at 5:00. He quickly reviewed norms, and provided an update of the design team work. He then previewed the topics for the next two sessions, including the REAP of the recommendations.
Discussion and Breakout Topics for this evening:	Dr. Anderson asked committee members to get into groups to discuss the compiled subcommittee recommendations for behavior intervention and consequence definitions & behavior code definitions. Groups were given 15 minutes to identify specific recommendations from the list that they wanted to see added to the SSBIH. Groups then shared out those recommendations. Dr. Anderson then led the groups into the second activity, where groups were to discuss the Early Childhood (pg. 23), and Transportation (pg. 29) portions of the handbook, as well as any other feedback that was not previously

	discussed. After 10 minutes, tables shared thoughts on these portions of the handbook, in preparation to gather feedback from their subcommittee. Dr. Anderson shared a final timeline update.
Questions:	None
Homework for 2.6.2023:	Review REAP that will be sent via email. Finalize feedback on Early Childhood, Transportation Rights and Responsibilities, Review of Previous Reaps. Please place feedback on these items in the Subcommittee Feedback Protocol prior to the next meeting.
