Norms and Process

Notes:

Dr. Anderson briefly reviewed central norms with the committee.

Areas to review

Notes:

Dr. Anderson facilitated a committee discussion on the behavior dot pages. He guided the committee in reviewing the proposed SSBIH behavior dot, focusing on its definitions and consequences. Dr. Anderson emphasized the importance of the REAP process for any alterations to the SSBIH and urged the committee to consider the impact of changes on student behavior. He asked the group to identify the specific behaviors they wanted to address to streamline the discussion. The committee then reviewed the draft of proposed changes to behavior interventions and consequences before breaking into smaller groups to further evaluate and suggest recommendations.

Adjournment/Next Steps

Notes:

Subcommittee leads were tasked to review transportation (pg. 38), Early Childhood (pg. 22), and the Covid behavior Guidance (pg. 45, should they be removed), and to provide any other revisions as needed.
