Norms and Process

Notes:

Dr. Anderson briefly reviewed central norms with the committee.

Areas to review

Notes:

Dr. Anderson discussed the dot page recommendations with the group, providing the rationale for what feedback was included and what was not (policy changes, etc.). Dr. Anderson directed the committee to review the draft of recommendations for the SSBH Transportation,

Early Childhood, and Covid Guidance sections of the SSBIH. After committee members reviewed the draft individually, they were placed in groups and tasked with reviewing the proposed changes and coming to a consensus on what needed to be added, deleted, etc.
