Agenda

Welcome and Introductions

Notes:

Dr. Anderson introduced himself, the committee's purpose, and the meeting. Dr. Yearwood introduced himself to the committee and asked each committee member to introduce themselves. Each committee member provided their name and role for the group.

Overview of Process

Notes:

Dr. Anderson began the meeting by outlining the process and then introduced Dr. Brian Yearwood, who voiced concerns about student safety related to fighting. He presented a proposal to the SSBIH to address these issues, emphasizing his dedication to ensuring student safety and providing support during interventions. Following Dr. Yearwood's presentation, the floor was opened for questions from the committee. Members were divided into groups to discuss the proposal, then reconvened to share their insights with the entire committee. After the discussions, Dr. Anderson tasked subcommittee leaders with gathering feedback from their constituents and submitting it by March 13, 2026. He concluded the meeting by outlining the next steps for the proposal and adjourned at 6:05 PM.

Sub-committee Roles and Responsibilities

Subcommittee leads were tasked with reviewing the proposal with their subgroups and providing feedback by 3-13-26.

Timeline and Meeting Dates

Tentative Board Member First Read: TBA, Second Read & Vote: TBA

Norms and Process

Areas to review

Notes:

Dr. Anderson began the meeting by outlining the process and then introduced Dr. Brian Yearwood, who voiced concerns about student safety related to fighting. He presented a proposal to the SSBIH to address these issues, emphasizing his dedication to ensuring student safety and providing support during interventions. Following Dr. Yearwood's presentation, the floor was opened for questions from the committee.
